**** yellow cards cleared upon conclusion of 2026 MLS Regular Season ****

WILD-CARD ELIMINATION MATCH @ OLD FRIEND SEATTLE ::

Thursday, Real Salt Lake (13W-15L-6T, 45 points, 9th West / 18th Shield MLS) travels to the Pacific Northwest to face long-time rival Seattle Sounders FC (12W-12L-10T, 46 points, 8th West / 17th Shield) to kick off the West Wild Card round of the 2026 Major League Soccer Audi MLS Cup Playoffs … The match – kicking off at 8:00p MT – will be streamed on Apple TV, with Thursday's winner advancing to face the West No. 1 seed, Vancouver Whitecaps FC, in a First-Round, Best-of-Three series on Sunday evening …

Thursday's RSL at Seattle contest on Apple TV features **Keith Costigan** and **Maurice Edu** on the primary English-language call, with **Andrew Wiebe** on sideline, while **Jorge Perez-Navarro** and **Marcelo Balboa** will provide the Spanish-language analysis …

Simultaneously, the KSL Radio team of **David James** and **Jay Nolly** return to the mic, with **Nelson Moran** – now in his 22nd RSL season as RSL's Spanish radio voice – conducting the Spanish call on KBMG Latino 106.3 FM …

RSL REUNITES IN SEATTLE FROM ALL CORNERS OF GLOBE ::

RSL will arrive in Seattle expecting the presence of its two starters who participated in the recent FIFA international window, with Canadian DF **Luc de Fougerolles** and Uruguayan standout **Juan Manuel Sanabria** – both of whom featured in this summer's World Cup and continue to answer the "Club and Country" calls – arriving separately from the Utah side due to international travel considerations … Recent 2026 Team Award winners **Noel Caliskan** (Most Valuable Player), as voted by his peers, **Mason Stajduhar** (Humanitarian), **Sergi Solans** (Golden Boot) and Sanabria (Defensive Player of the Year) also arrive in Seattle to lead the Claret-and-Cobalt …

FOND RSL PLAYOFF MEMORIES AT WHAT IS NOW LUMEN FIELD ::

Real Salt Lake boasts fond playoff memories in Seattle, winning MLS Cup 2009 at the Sounders' home against the star-studded LA Galaxy in Seattle's expansion season … RSL and Seattle have squared off in four previous playoff iterations, the teams splitting the advancement honors … RSL won the two-game, 180-minute aggregate series in 2011, with the Sounders returning the elimination favor a year later in 2012 … The teams met again in 2019, with Seattle winning the decisive 90 minutes, while RSL most recently won at Seattle in 2021 in current Head Coach **Pablo Mastroeni**'s first-ever playoff game with the Club, a 120-minute affair decided by the penalty-kick tiebreaker, RSL homegrown **Justen Glad** hitting both posts in the sixth frame to advance the Utah side …

WINNER LOOKS FORWARD TO WEEKEND IN VANCOUVER ::

Should RSL advance from the Wild Card – either after 90 minutes of regulation, or following 30 minutes of extra time and/or a penalty-kick tiebreaker – the Utah side would return home for the second leg of the Vancouver series, to be hosted at America First Field on Friday, Nov. 27 (8:00p MT, Apple TV) … The Claret-and-Cobalt are now 13-4-4 (W-L-T) this year on Utah soil following the Nov. 7 "Decision Day" win …

KNOCKOUT HISTORY FOR RSL ::

With the August 25 neutral-site loss to Leon, RSL failed to advance to what would have been its third Semifinal contest in the five-year **Pablo Mastroeni** era … Advancement would have marked RSL's first since the 2023 Lamar Hunt U.S. Open Cup, where it lost at Houston, 3-1, after extra time … Back in 2021, RSL also advanced to the MLS Western Conference Final, falling at Portland …

RSL has now played 15 elimination games during its five-year history with Mastroeni as manager, winning six, with only one prior match approaching "neutral-site" status …

During the 2025 CONCACAF Champions Cup Round of 32, RSL kicked off a two-leg series with Costa Rican champions Herediano, playing the first leg in the country's National Stadium in San José … RSL drew 0-0 that day in GK **Rafael Cabral**'s first-ever match with the Utah side, which fell 1-2 at home in the second leg a week later …

In recent years, RSL has seen various means of elimination in knockout situations, bookended by road losses in the Audi MLS Cup Playoffs at Portland – last year in the Western Conference Wild Card Round, and in the 2021 Western Conference Final …

In MLS postseason games decided by penalty-kick shootout tiebreakers, RSL was eliminated in 2022 at

Austin, 2023 at Houston and 2024 against Minnesota, advancing only in 2021 at Seattle …

In the 2022 Lamar Hunt U.S. Open Cup, RSL fell at home in a massive upset to the Northern Colorado Hailstorm playing its third competitive match ever … During RSL's 2023 USOC Semifinal run, the Club won in extra time at Las Vegas before regulation wins at Portland, at Colorado and against LA Galaxy prior to its 120-minute loss at Houston … The 2024 Open Cup tourney saw RSL lose in regulation away at New Mexico United (USL Championship) …

LATE-SEASON RSL SURGE DISPLAYS TYPICAL MASTROENI xDAWG ::

RSL closed out the 2026 campaign unbeaten in five of its last six matches, with a 5-2-1 (W-L-T) record in the final weeks of the season, a span which included three home wins and two road victories … RSL's 2-1 "Decision Day" win at home over LA Galaxy extended the Club's postseason qualification streak to a West-best six seasons – all managed by Head Coach **Pablo Mastroeni** – qualifying in eight of the last nine years overall, and 16 of 19 campaigns dating back to its inaugural playoff foray in 2008 …

Real Salt Lake Head Coach **Pablo Mastroeni** has now managed the Club in 223 matches across all competitions, registering 91 wins, 81 losses and 51 draws in MLS, Audi MLS Cup Playoffs, Leagues Cup, Open Cup, Concacaf Champions Cup and international friendly contests since late August, 2021 …

The former U.S. Men's National Team World Cup standout (2002, 2006), MLS Cup Champion (2010) as a player, and former Colorado Rapids manager (2014-16) has averaged 1.60 points per game with RSL in his 221 matches at the helm … Only Cup-winning former manager **Jason Kreis** (2007-13) – now the Club's President of Soccer – boasts more games, more wins and a higher PPG average than Mastroeni in RSL's 22 seasons …

During the Mastroeni era, resilience, grit and determination have served as trademarks for RSL, with the Club suffering back-to-back losses on just 25 occasions in those 223 games … The Decision Day victory marked the latest opportunity for the Claret-and-Cobalt to display its "xDAWG" mentality to earn the result, now winning 39 and drawing 19 times in "bounce-back" games following a loss in Mastroeni's five-plus seasons in Utah …

Drawing first blood has also proven to be critical for RSL during the five-plus seasons under Mastroeni, with RSL now 61-12-23 (W-L-T) when scoring first …

RSL ATTACK PICKS UP AROUND ROOKIE SOLANS ::

Now with 19 goals across all competitions and 15 in his debut MLS campaign, RSL rookie and 2026 Golden Boot leader **Sergi Solans** matched the 2012 record for total goals, 19, set by Club legend Alvaro Saborio …

Solans fell two goals shy of matching the all-time Club-best scoring campaigns (17 goals by Arango, 2024; Saborio, 2012), as well as the MLS all-time rookie record of 17 goals (Cyle Larin, Orlando, 2015) …

Several players contributed to the core of RSL's late-season resurgence, the Club rebounding from a 13-game MLS winless run from May-September … Designated Player **Morgan Guilavogui**, who missed the penultimate match in San Jose due to a yellow-card accumulation suspension, carried the attacking load with Solans, the Guinean international providing three goals and adding three assists during the recent six-game RSL surge … Also staking a claim to heavy minutes and attacking aplomb was Georgian international **Saba Lobjanidze**, with two goals and an assist, while Utah native **Zach Booth** returned from injury to provide the game-winner on Decision Day, his third goal across all competitions this season …

Homegrown DF **Justen Glad**, who has appeared in each of the three games in his return from an adductor injury suffered on May 23 at Minnesota, came off the bench in the recent wins against St. Louis, Austin and LA Galaxy, while starting and playing 60 minutes in San Jose … Fellow DF **Lukas Engel** also returned from his hamstring injury in the final two weeks, playing the final 30 minutes at Earthquakes …

2026 RSL AWARD WINNERS ANNOUNCED AFTER LAG WIN ::

While awaiting the kickoff to the 2026 Audi MLS Cup Playoffs and its trip to Seattle, **Real Salt Lake**'s locker room unveiled its 2026 Team Award Winners, following the 39-game campaign across various competitions to this point that saw RSL finishing ninth overall in the Western Conference, qualifying for its sixth consecutive postseason and also advancing to the 2027 Leagues Cup tournament …

A mix of statistical, community-service oriented and peer-selected honors, RSL's 2026 Team Awards recognize four different players – third-year midfielder **Noel Caliskan** (Most Valuable Player), first-year standout **Juan Manuel Sanabria** (Defensive Player of the Year), Spanish rookie **Sergi Solans** (Golden Boot) and second-year goalkeeper **Mason Stajduhar**

(Humanitarian of the Year) – for their contributions to Real Salt Lake's 22nd season, on and off the pitch …

Due to the "Decision Day" Wild Card qualification with a dramatic 2-1 over the LA Galaxy, the Claret-and-Cobalt have earned one of 18 MLS berths in the 2027 Leagues Cup, while participation in the Lamar Hunt U.S. Open Cup is anticipated as well after perennial contender RSL earned its 16th postseason appearance in the last 19 years, as well as RSL's eighth MLS Cup Playoff berth in the last nine seasons …

RSL's field-player "Iron Man" MF **Noel Caliskan** – who has led the team in minutes played by a non-Goalkeeper the last two seasons – was selected by his peers as RSL's 2026 Most Valuable Player …

A starter in 57 of the last 62 Real Salt Lake matches played dating back to last year, the two-way metronome scored his first goal of 2026 back on Sept. 5 v LAFC, providing the late equalizer in the 2-2 home draw … The German-born, two-way midfielder was drafted by Portland in the 2023 MLS SuperDraft out of Loyola Marymount University, and signed to Real Monarchs deal in early 2024 … Since his arrival at the Club, Caliskan has seen action for both RSL and Monarchs across numerous competitions, with Decision Day marking his 98th appearance for the teams, and his 72nd with RSL …

After shattering the Club's all-time rookie scoring record, Spanish-born former NCAA player **Sergi Solans** won RSL's 2026 Golden Boot award, scoring 15 goals in MLS regular-season action, and 19 across all competitions …

While his 15 goals included seven game-winners, clinching more than half of RSL's 2026 wins, Solans' 19 goals in MLS, Leagues Cup and the Burnley exhibition matched Alvaro Saborio's 2012 Club record …

Drafted out of Oregon State in the 2025 MLS SuperDraft, and playing last year at UCLA before reporting to RSL's preseason in Portugal in January, the former Girona youth product quickly made his mark in MLS, scoring in his first start on March 7 at Atlanta, RSL's lone road win until late September …

With five goals in his first five starts, Solans served notice that he could be looking at a special year. With three two-goal "braces" in his rookie season and a trio of game-winning assists amongst his four overall, Solans served as the fulcrum of the RSL attack throughout the season …

Earning a new contract extension in late August, Solans scored six goals in the final eight games, leading RSL to five wins and a draw as it surged back into postseason contention …

Perhaps RSL's most consistent player this season, Uruguayan World Cup standout D/M **Juan Manuel Sanabria,** the usual left-sided wide player, was voted by his peers as RSL's 2026 Defensive Player of the Year …

Purchased in early February from Liga MX side Atlético San Luis, where he served as the Club's captain during last year, Sanabria now has earned 93 caps across Uruguay's youth and senior national teams, scoring last window against India …

Bringing pace, intelligence and deadly set-piece delivery to RSL, Sanabria is the most-expensive non-DP acquisition in RSL's 22-year history … The May 2 RSL win marked Sanabria's first multi-assist match in his RSL career, with two against Portland in the 2-0 win. Back on July 25 at Portland, Sanabria scored his first MLS goal, giving RSL the early lead prior to the Guilavogui ejection, following that up with a goal on October 31 at San Jose …

As previously announced, second-year RSL goalkeeper **Mason Stajdujar** was named the Club's **Jordan Guernsey Humanitarian of the Year** for his wide-ranging and extensive work in the community this season, supporting current and former pediatric cancer patients across the country …

At the end of 2025, the RSL 'keeper and his wife Tatiana launched StajduHeart, a nonprofit organization which aims to both emotionally and financially aid those affected by pediatric cancer … What began as a deeply personal calling has quickly grown into something tangible: game-day experiences, hospital visits, goalkeeper clinic, and a soon-to-be mentorship program and website designed to connect families navigating similar battles …

For Mason, the mission is rooted in lived experience … At just 19 years old, early in his MLS career, Stajduhar was diagnosed with bone cancer. The next eight months were filled with chemotherapy treatments, followed by six weeks of radiation … At a time when most young professionals are building momentum, Mason was forced to step away from the game he loved … He was declared in remission at 20, but the experiences reshaped far more than just a season of his career …

On their social media, Tatiana and Mason have posted interview clips from conversations that they've hosted together, reflecting on that season of life … Mason describes the toll of being sidelined, physically and mentally, as he was unable to train and do what he loved so early in his MLS career … He attributes the

idea for the nonprofit to Tatiana and her "big heart," along with the experience he had battling cancer …

"Our goal this year was to bring pediatric cancer patients, current and former and their families, out to RSL games, at home and away," Stajduhar explained. "Just (to) forget about treatment or celebrate the success of finishing their treatment and have a fun time together as a family."

"[The goal is] to build relationships, honestly," Tatiana added. "We're planning for 10 families each year. And then anything that pops up too – if we have the financial means to help – we would love to."

Throughout 2026, the Stajduhars have hosted patients and families across MLS markets, partnered with several RSL teammates to raise enough funds to provide a family with a vertical platform lift (VPL) and Hoyer lift to be installed in their home, making it easier and safer to navigate the stairs … For families balancing medical needs and financial strain, that kind of support can be life-changing.

As Mason continues to defend between the pipes for the Claret and Cobalt, he and Tatiana are building something just as powerful off the field – a network of encouragement, relief, and belonging for families who understand the weight of diagnosis … **StajduHeart** is still in the early chapters, but its heartbeat is clear: to show up, build relationships and remind families they are not alone; fans who would like to support the mission can find the donation link here …

RSL v SEATTLE – PLAYOFF TIES THAT BIND ::

Real Salt Lake once again finds itself in a familiar situation, the postseason, after clinching its Conference/best sixth straight appearance, all under **Pablo Mastroeni** … Thanks to a 2-1 "Decision Day" victory over LA Galaxy two Saturdays ago – improving RSL's Decision Day record under Pablo to five wins and one draw – combined with a 3-1 Dallas comeback over RSL's Rocky Mountain Cup Rival Colorado, Real Salt Lake now travels to Seattle, a place rich with RSL playoff history …

Lumen Field in downtown Seattle clearly holds a special place in the hearts of all Claret-and-Cobalt fans, as two of Real Salt Lake's most iconic playoff runs have made historic stops in "The Emerald City" …

Home of MLS Cup 2009, Lumen Field welcomed 46,011 fans, many cheering on that year's lowest-seeded playoff side, cinderella Real Salt Lake, then coached by iconic former RSL forward and current Club President of Soccer, **Jason Kreis** … The first-ever sub-.500 MLS team to advance to Cup, surging RSL faced off against global soccer icon David Beckham and LA Galaxy/USA teammates Landon Donovan, Gregg Berhalter and Edson Buddle, amongst others …

That day saw the Goliath "galacticos" Galaxy strike first behind a 41st-minute goal from Mike Magee – following an early injury to talisman **Javier Morales**, and food poisoning for stalwart starter **Will Johnson** … However, the Claret-and-Cobalt battled back, defeating the Galaxy, 5-4 in penalties, following a 1-1 draw after 120 minutes, courtesy a **Robbie Findley** equalizer in the 64th minute, as well as the persistent heroics of Cup MVP **Nick Rimando,** who made two saves in the penalty shootout, with **Robbie Russell** converting the historic winning kick …

In 2021, Real Salt Lake's first playoff match behind then-interim Head Coach **Pablo Mastroeni** saw seventh-seeded RSL ride the momentum of that year's "Decision Day" *Damiracle* in Kansas City and travel on to upset second-seeded Seattle – where that year's original manager, Freddy Juarez – served as assistant coach, under former RSL GM Craig Waibel – in the opening round of the playoffs …

With the villain role that day played by former RSL Academy goalkeeper David Ochoa, and a Covid 19 illness rendering RSL Designated Player Albert Rusnák unavailable, RSL survived 120 minutes in the Seattle cauldron despite not firing a shot on goal; while not a tactical intent, the tense affair saw the Sounders only register two shots on goal …
The Claret-and-Cobalt prevailed in penalties (6-5) to advance to the second round, with another Academy homegrown – **Justen Glad** – winning the match by stepping up when others wouldn't, hitting both posts in the sixth frame and advancing RSL forward …

The RSL road warriors would then go on to defeat MLS Cup 2013 rival Sporting Kansas City once again, 2-1, in the next round, before falling away at Portland Timbers 2-0 in the Western Conference Final. The improbable, unexpected run marked RSL's deepest postseason run since 2013, ultimately earning Pablo Mastroeni the permanent appointment, now lasting 223 games and counting at the Utah helm …

After winning four of its final five games of the 2026 regular season with largely the same group to vault itself into the postseason, should Real Salt Lake decide to roll out the same XI as it did in its 2-1 "Decision Day" win against LA Galaxy, the starting lineup will have a combined 11 previous MLS Cup Playoff appearances …

RSL Captain **Rafa Cabral**'s lone playoff match (the 2-1 loss in last year's Wild Card at Portland), along with recently-minted RSL 2026 MVP **Noel Caliskan**'s two postseason games and **Saba Lobjanidze'**s eight, all with Atlanta United FC, comprise the short list of those with MLS playoff experience …

The same bench from that Nov. 7 showdown v LA – decisively punching the Claret-and-Cobalt's ticket to the dance – boasts nearly triple the number of playoff appearances under their belts, as its combined 31 matches are bolstered by MLS veterans **Justen Glad** (13) and **DeAndre Yedlin** (11), along with **Lukas Engel** and **Alex Katranis** at three apiece, with back up GK and 2026 MLS Humanitarian Player of the Year nominee **Mason Stajduhar** owning one playoff appearance with Orlando …

RSL boss **Pablo Mastroeni** and staff will once again balance a young and talented RSL core with veteran leadership, in hopes of another Cinderella playoff run that brings home hardware to the Wasatch Front …

RSL ended the season in ninth place in the Western Conference, posting a 5-2-1 (W-L-T) overall mark down the stretch, on the heels of a 13-game MLS winless streak from July to September …

RSL's perennial postseason clinch – six straight years, eight of the last nine, and 16 of the 19 seasons since first qualifying in 2008 – now sets up Thursday's Audi MLS Cup Playoff West Wild Card match against No. 8 seed Seattle Sounders FC … The winner-take-all match will be played this Thursday, November 19, at Lumen Field in Seattle, with kickoff set for 8:00 p.m. MT on AppleTV …

ONE MORE HOME GAME IN UTAH? ::

With advancement Thursday, RSL would be back at home on Black Friday, November 27, in the second leg of the First Round 2026 Audi MLS Cup Playoff series with former America First Field tenant Vancouver …

In games played on Utah soil this season, RSL has posted a 13-4-4 (W-L-T) mark across all competitions in 2026, and a 10-4-3 MLS record at the 18-year-old venue, where RSL is now 21-7-6 (W-L-T) at home since June 1 of last year …

A TALE OF TWO SEASONS FOR RSL ::

RSL's single-season Club-record winless streak of 13 games dates started with a late concession in a 1-1 draw at Minnesota on May 23 …

That match – RSL's 14th of 2026 – marked homegrown DF **Justen Glad**'s last appearance for five months, and ended up being the first of teenage attacker **Zavier Gozo**'s final three games with the Claret-and-Cobalt …

The May 16 home victory over Colorado – a 2-1 come-from-behind win, its last in MLS play – presents a clear demarcation of RSL's season slate:

First 13 matches (Feb. 21 – May 16):
- 8W-4L-1T, 25 points, 3rd West
- 25 GF / 18 GA
- +7 goal differential
- 1.92 PPG

Next 13 matches (May 23 – Sept. 23):
- 0W-9L-4T, 4 points, 13th West

SO WHAT HAPPENED? ::

Several factors contributed to the stark second-half MLS performances, including, but not limited to:

1) Just over 200 games so far lost to injury / suspension / visa issues, with **Ariath Piol** (Achilles) and **Emeka Eneli** (knee) out nearly the entire season, with **Justen Glad** (adductor) also out for an extended period during the back half … August / September also saw **Diego Luna** require a meniscus repair in his knee, **Stijn Spierings** suffer a high ankle sprain, **Sam Junqua** with a concussion, while **Zach Booth, Lukas Engel** and **Juan Jose Arias** also missed numerous games due to hamstring injuries …

2) schedule congestion post-WC and the Club's Leagues Cup Quarterfinal run led to several multiple-game weeks and short turnarounds, including 13 games in 44 days from July 22 to Sept. 9 across all four time zones …

3) RSL had seen its collective overall speed and athleticism absent without **Justen Glad, Zavier Gozo** and **Zach Booth,** with only the inconsistent **Dominik Marczuk** able to run past all opponents …

4) During this season, heavy rotation, integration and assimilation has been required, with an all-time Club high of 17 players making their Club debuts in 2026, including 12 youngsters aged 22 or younger earning their first-ever first-team minutes, most of them with less than a year of profession experience, either at MLS NEXT Pro level with the Monarchs or abroad …

5) Of 30 teams in MLS, RSL was at the bottom in terms of top-end roster production, as DPs **Morgan Guilavogui** and **Justen Glad** have rarely found the scoresheet, while only **Diego Luna** has contributed heavily amongst the quartet of U22s with **Juan Jose Arias, Ariath Piol** and **Dominik Marczuk** …

SERIOUS 2009 VIBES IN LATE-SEASON UTAH RUN ::

While the San Jose setback on Halloween prevented RSL from controlling its destiny, RSL needed more help back in its MLS Cup 2009 season on the final matchday … Needing just a win and one of SEA / COL / POR to drop points, the Decision Day matchup against the Galaxy had many locals reminiscing about that magical 2009 Cup-winning season …

The spectacular MLS Cup 2009 run, which saw a sub-.500 reg.-season team (11W-12L-7T) win on the final day of the season, qualifying for the playoffs with a combination of other results, including goal differential math …

THREE-GAME WEEKS NOT FRUITFUL FOR RSL – UNTIL NOW? ::

Until the penultimate week of 2026, RSL had struggled with its three-games-in-eight-days pattern post-World Cup, with the Club's depth severely tested due to injuries, transfer comings-and-goings and overall form …

RSL HEARTBREAK AT THE DEATH OCTOBER 14 v SAN JOSE ::

Before the run of Austin / St. Louis / Kansas City wins, RSL hosted San Jose on Oct. 14, enduring a tense affair against the visiting San Jose Earthquakes and ultimately settling for a 1-1 draw five minutes into second-half stoppage time …

21-year-old Canadian World Cup centerback **Luc de Fougerolles** made his home debut in his first-ever RSL / MLS start, scoring what appeared to be the game-winner in the 79th minute … Assisted by Uruguayan World Cup standout **Juan Manuel Sanabria**, RSL appeared poised for its 12th home win of 2026 across all competitions, but in the 95+ minute, a poor clearance by Sanabria led to the late San Jose equalizer …
In the prior games that week, including the Oct. 10 2-1 loss at Philadelphia, RSL welcomed the return of several players from injury, international absences and visa issues, as **Juan Manuel Sanabria** (Uruguay), **Saba Lobjanidze** (Georgia), **Kobi Henry** (Trinidad), **Luc de Fougerolles** (Canada / visa), **Zach Booth** (hamstring) and **Ariath Piol** (Achilles), whom have all featured in multiple contests …

Late at Philadelphia, Lobjanidze scored his third goal in a six-game span for RSL, assisted by Canadian World Cup standout de Fougerolles, who became all-time RSL player No. 245 in the Club's 22-year history, and the ninth player in RSL annals to register an assist in his Club debut …

LUC DE FOUGEROLLES OUTSTANDING IN FIRST HALF-DOZEN RSL MATCHES ::

Real Salt Lake newcomer **Luc de Fougerolles** has absolutely changed the tone of RSL's run-in, acquired via loan at the death of the summer MLS window on Sept. 2, but not seeing his U.S. work visa approved until Sept. 28, 48 hours into the FIFA international break …

With one goal and now two assists in seven appearances / six starts since becoming eligible, the 21-year-old Canadian international has been explosive on both sides of the ball from his right centerback spot, instilling **Pablo Mastroeni**'s side with grit, tenacity, bite and excitement …

"LdF" was named to MLSsoccer.com's Matchday 30 Best XI, honoring a standout performance in his first-ever MLS start and home debut two weeks ago against San Jose …

Following a sensational and determined 45-minute performance off the bench Oct. 10 in Philadelphia, the Canadian World Cup defender's MLS debut, Mastroeni tapped de Fougerolles for the start in his first home match for the Claret-and-Cobalt …

From the opening whistle, de Fougerolles was omnipresent, defending relentlessly while pushing forward confidently and repeatedly with the ball at his feet. In the 11th minute, RSL attacker **Saba Lobanidze** opted to play the RSL free kick in the attacking half to de Fougerolles, rushing near post to the top of the box … The 21-year-old Fulham loanee volleyed the service, striking the outside of the post, denying him the opening goal of his Real Salt Lake career …

However, de Fougerolles found the woodwork again – while converting the goal opportunity – in the 79th minute, firing a shot from the right side of the box after a corner-kick buildup from RSL, this time striking the inside of the post and finding the back of the net for what appeared to be game-winner …

SOLANS, GUILAVOGUI SUPPORTED FROM ALL CORNERS ::

In RSL's penultimate home match, former Poland Young Player of the Year **Dominik Marczuk** also scored an absolute screaming golazo in the 3-0 win over St. Louis on Oct. 24, the second goal of the year for the third-year right winger (Aug. 22 at Orlando), and his fourth with RSL since his arrival in August, 2024 …

Veteran RSL centerback **Justen Glad** started Oct. 31 at San Jose and played 60 minutes – his first start since May 23 at Minnesota – as well as the final 30 minutes Oct. 24 against St. Louis and the final 10+ minutes last Oct. 27 in Austin, the Academy Homegrown returning to the pitch for the first time in five months, out with an adductor injury suffered May 23 at Minnesota …

Designated Player **Morgan Guilavogui** was also credited with two assists in the 3-0 win over St. Louis,

bringing his 2026 MLS reg. season totals to five goals and 10 assists in his inaugural MLS campaign, the ninth player in RSL's history (out of 245) to accrue double-digit assists in a season …

Guilavogui joins such historic RSL luminaries as **Diego Luna** (2024), **Cristian Arango** (2024), **Javier Morales** (2010, 2013, 2014, 2015), **Albert Rusnak** (2017, 2021), **Joao Plata** (2016), **Aaron Herrera** (2021), **Jefferson Savarino** (2018) and **Jeff Cunningham** (2006) to register 10+ assists in a campaign …

Staunch midfielder **Noel Caliskan** – who has started 57 of RSL's last 62 games – provided assists on both of Guilavogui's goals in the 3-1 win at Kansas City in mid-October, the French-born Guinean attacker doubling his season goal total and finding the back of the net for the first time since Aug. 19 against Dallas …

THREE CONSECUTIVE WINS ENERGIZE CLUB DOWN STRETCH ::

RSL's late run of three consecutive wins – its first pair of even back-to-back wins since early August in Leagues Cup action against Atlante and Juarez, and its first in MLS since mid-May against Houston and Colorado, all at home – vaulted the Claret-and-Cobalt back into the West playoff conversation …

Then RSL arrived on Decision Day v LA Galaxy on the relative heels of its third come-from-behind win of the year and just its fifth in the last two seasons, looking to duplicate the result from the road win at KC on Oct. 17, a 3-1 win which marked RSL's first victory away from home since March 7 at Atlanta, a span of 13 winless games away in both MLS and Leagues Cup action …

The road drought from March 7 in Atlanta until Oct. 17 at Kansas City was one of two very dubious 13-game winless streaks, as RSL also failed to win in MLS reg. season action between May 16 and Sept. 23, enduring the sale of Zavier Gozo to Crystal Palace and at one time seeing 13 players absent due to injury, suspension and visa situations …

Suddenly, with the mid-October win at Austin, RSL accrued back-to-back ROAD wins for the first time since April, 2024, at Chicago and Philadelphia … Those wins were part of a very impressive 10-game road unbeaten run in early 2024 …

NEW ENGLAND VICTORY SNAPS DUBIOUS STREAKS ::

Back on Sept. 26, RSL won 3-0 at home against New England to snap several dubious winless streaks in MLS … Nineteen-year-old Academy homegrown **Aiden Hezarkhani** scored just two minutes into the match for the early lead – boosting RSL, now 59W-12L-23T all-time when scoring first in five-plus years during the **Pablo Mastroeni** era – while 2026 RSL Golden Boot leader **Sergi Solans** scored a pair of second-half goals … Solans' brace enabled him to become just the sixth collegiate rookie in the 31-season history of Major League Soccer to score 10 or more goals in his first professional season … The emphatic victory snapped RSL's record 13-game winless run in MLS action dating back to May 16, as well as an overall five-game home drought dating back to August 11 against Liga MX side FC Juarez …

DIEGO LUNA OUT FOR SIX MONTHS ::

RSL playmaker **Diego Luna** underwent a successful meniscus repair in his knee six weeks ago in a procedure performed by U.S. Soccer Chief Medical Officer and orthopedic surgeon Dr. Bert Mandelbaum in Santa Monica, California … The 22-year-old midfielder is now expected to miss approximately six months after suffering the knee injury back on Sept. 9 in Houston, while playing 70 minutes in the 2-1 road loss, with the meniscus tear identified via MRI a day later …
Luna – who scored five goals and added eight assists in 22 games across all competitions this year for RSL – has returned to Utah to begin the rehabilitation process under the care of the Club's performance and medical group, in conjunction with Intermountain Health caretakers and facilities …

"The surgery was a success and we are grateful to Dr. Mandelbaum," said **Dave Tenney**, Senior Director of High Performance for Real Salt Lake and Utah Royals FC. "Our job now is to provide structured, patient rehabilitation. Diego has the full support of our performance and medical staffs, as well as those of Intermountain Health, and he is already approaching the work the right way. We look forward to seeing him back on the field in 2027."

EMEKA ENELI RETURNS TO ACTION, BRIEFLY ::

The silver lining of the Sept. 19, 0-3 loss to Vancouver was the return of former captain and versatile fourth-year man **Emeka Eneli**, recovering from a persistent knee injury and resultant recovery to come off the bench to make his first appearance since last October's Wild Card playoff match at Portland …

In the 64th minute, former RSL captain and 2025 USMNT midfielder **Emeka Eneli** made his return to the pitch for the first time in 11 months … Eneli has been sidelined since last year's postseason with a complicated and progressively obstinate knee injury,

making his last appearance in the West Wild Card match back on October 22, 2025, at Portland …

Drafted by Real Salt Lake in the 2023 MLS SuperDraft out of Cornell, Eneli made his presence felt throughout the historic 2024 RSL campaign, recognized for his positional versatility and becoming the youngest captain in RSL's 22-year history in a road match at Kansas City …

The former Ivy Leaguer capped off that year by winning the Club's 2024 Most Valuable Player award as voted by his peers, receiving his first callup to the U.S. Men's National Team … Eneli earned two caps for the Stars-and-Stripes in January, 2025, amongst his 68 appearances for RSL, even scoring once back in a 2024 Audi MLS Cup Playoff match at Minnesota …

Although his 2025 season was marred by a quadriceps injury, Eneli played a pivotal part in the 2025 MLS season as he was instrumental in the midfield, buoyed by his taste of national team success …

INJURED LIST GETTING SHORTER? ::

While the Sept. 12 NYCFC match also saw Colombian U22 centerback **Juan Jose Arias** suffer a 54th-minute hamstring strain that will see him – after starting in 10 of the last 12 matches for RSL – now out for an extended period of time, this past week has seen both **Stijn Spierings** and **Sam Junqua** return late last month, in addition to Eneli …

NEW BLOOD EMERGES DURING CONGESTED SCHEDULE ::

Newly-acquired attacking player **Taylor Booth** – a former RSL Academy star and a native of Eden, Utah – became the 14th Club debutant of 2026 and all-time RSL player No. 243 with his late appearance off the bench in late September …

Two other newcomers – DF **Luc de Fougerolles**, Canadian World Cup starter and FW **Dušan Žagar**, the 19-year-old Serbian winger, each of whom were added at the transfer window deadline on Sept. 2 – have made impressions early, although Zagar has not yet appeared in MLS action, dressing for the first time Saturday in Kansas City …

RSL PREVIOUSLY DYNAMITE AGAINST THE DYNAMO ::

Six weeks ago at Shell Energy Stadium in Houston, RSL fell 2-1 to extend its active road winless run to 11 games, last winning away from home back on March 7, when HC **Pablo Mastroeni**'s side won 3-2 at Atlanta …

The midweek loss in Houston on the Dynamo's 87th-minute dagger snapped a three-game win streak against the Orange-and-Black, which took a 1-0 lead early in the second half, only to see RSL newcomer **Saba Lobjanidze** find the equalizer on **Lineker Rodrigues**' first-ever MLS assist …

Lobjanidze's goal was his second in as many games, but the substitutes – including RSL Academy man **Owen Anderson**, making his RSL / MLS debut late – could not find a second equalizer …

RSL arrived at Shell Energy Stadium in Houston that Wednesday winners of its last three against the Dynamo, including a dominant 3-0 home win in Utah back on May 13, which saw RSL score all three in the second half, as a Houston own goal and a Zavier Gozo brace secured the full three points for RSL …

All-time, RSL owns a 14-11-9 (W-L-T) mark against the Dynamo, despite the Houston eliminations of RSL from both the 2023 Lamar Hunt U.S. Open Cup at the Semifinal stage, and the 2023 Audi MLS Cup Playoffs, in a three-game First-Round series decided by a pair of penalty-kick shootout tiebreakers …

LAFC, HOUSTON COMEBACKS DISPLAY TRADEMARK xDAWG ::

Back on Sept. 5 at a standing-room only America First Field – hosting its 15th consecutive MLS sellout, dating back to last August – RSL drew 2-2 against star-studded LAFC, rebounding from a pair of one-goal deficits to snap a four-game losing streak …

The former U.S. Men's National Team World Cup standout (2002, 2006), MLS Cup Champion (2010) as a player, and former Colorado Rapids manager (2014-16) has averaged 1.60 points per game with RSL in his 202 matches at the helm. Only Cup-winning former manager **Jason Kreis** (2007-13) – now the Club's President of Soccer – boasts more games, more wins and a higher PPG average than Mastroeni in RSL's 22 seasons.

During the Mastroeni era, resilience, grit and determination have served as trademarks for RSL, with the Club suffering back-to-back losses on just 25 occasions in those 219 games … The win at Kansas City was the latest opportunity for the Claret-and-Cobalt to display its "xDAWG" mentality as it earned the result, now winning 36 and drawing 18 times in "bounce-back" games following a loss in Mastroeni's five-plus seasons in Utah …

COLORADO CRASHOUT CONTINUES 2026 ROCK BOTTOM SLIDE ::

A rotated RSL arrived that Saturday looking to snap three active streaks: the four-game losing streak across all competitions, the eight-game winless run in MLS action dating back to May 16, and the now nine-game road run without a win since March 7, when HC **Pablo Mastroeni**'s side won 3-2 at Atlanta …

RSL has now fallen at Colorado by one-goal margins in each of its last three visits, in 2024, 2025 and 2026, on the heels of four straight unbeaten there in 2022/23 …

All-time, RSL still boasts a 26-11-9 (W-L-T) mark against the Rapids in MLS reg. season play, including a 10-14-6 (W-L-T) mark in the Centennial state …

RSL last captured the Rocky Mountain Cup in 2023, its seventh consecutive RMC (excluding the disputed 2020 award); overall, RSL had won 14 of the previous 21 editions, failing in Saturday's opportunity to re-establish dominance in the series with a win or draw …

2026 SUMMER TRANSFER WINDOW WRAP-UP – INCOMING ::

ROAD TO THE 2026 LEAGUES CUP QUARTERFINAL ::

RSL has to find solace in becoming one of the final four MLS sides out of 18 in the 2026 Leagues Cup tournament, the Claret-and-Cobalt advancing to last week's Quarterfinal stage by outscoring a trio of Mexican visitors 8-1 in August at its America First Field home, with RSL riding six different goalscorers and employing 19 different starters …

RSL's 2026 Leagues Cup Phase One trio of performances improved RSL to 8-6-6 all-time (29-25 aggregate goals) against Mexican visitors on Utah soil in the last 22 seasons, with a 20-10-10 mark on the Wasatch Front against all international opponents …

RSL's back-to-back clean sheets in its 4-0 win Aug. 8 against Atlante and the 3-0 victory Aug. 11 against Juarez are just the second set of shutouts in the 64-game **Rafael Cabral** era (2025/26), with the combined 7-0 aggregate over those 180 minutes the most dominant consecutive games in RSL's 22-year, 850-plus game history across all competitions …

FIRST BLOOD HUGELY IMPORTANT FOR RSL UNDER MASTROENI ::

Scoring first on Thursday in Seattle – and not conceding minutes later, as it did each of the two August Saturdays against Orlando and Minnesota, as well as at St. Louis on Aug. 1, or going a man down 10 minutes later, as it did at Portland on July 25 – is critical for RSL's success, as the 2025 campaign saw the Utah side win just once in come-from-behind fashion (July 26 at San Jose), as it did in the March 14 win over Austin FC as well as the mid-May home win against Colorado … RSL scored first in 23 of its 40 games last year, while posting a 12W-7L-5T when drawing first blood against its opposition …

With the recent wins for RSL, it has now recorded a 61W-12L-23T record when scoring first during the 223-game Mastroeni era, with all but one of 13 RSL victories last season coming when taking the 1-0 lead … Seven of the 12 losses under Mastroeni when taking the 1-0 lead since August, 2021, came during last year's 2025 campaign …

Now with 14 league games remaining in its 22nd all-time MLS season, RSL has resumed its 2026 MLS campaign four weeks removed from last month's 4-1 exhibition win over English Championship side Burnley FC ... RSL star **Diego Luna** converted a late penalty to determine the final margin, with Burnley becoming the 33rd of 35 different international opponents to compete on Utah soil against Real Salt Lake, which now boasts an all-time 20W-10L-10T mark against international visitors with the recent Tigres, Atlante and Juarez matches …

The Burnley home match afforded RSL Head Coach **Pablo Mastroeni**'s side – then with an 8-6-3 (W-L-T) record, good for 27 points – the opportunity to improve on it's then0dominant 10-1-2 (W-L-T) mark at home this season, before resuming the bulk of its 2026 MLS reg. season campaign …

EARLIER THIS SEASON, RSL CHOPPED DOWN TIMBERS ::

Prior to the mid-May Houston/Colorado contests, in its previous home win back on May 2, RSL snapped its two-game losing streak with a dominant first-half performance against visiting Portland, as USA World Cup hopefuls **Zavier Gozo** (10th minute) and **Diego**

Late in the first half, a high press by the hard-working former RSL Academy man **Zach Booth** – starting his first of two consecutive late May matches since the two February MLS matchdays – created a turnover off a deflection, the ball squirting to rookie RSL FW **Sergi Solans**, who set up red-hot Utah teenager **Zavier Gozo** with the 38th minute equalizer …

The goal for Gozo was his fourth in a five-game MLS span, THEN his team-leading sixth of the season, to go along with five assists …

STRONG SECOND-HALF WAKE-UP CALL v HOUSTON ::

Following a sleepy first-half, RSL struck early in the second, when a long **DeAndre Yedlin** throw-in was headed into Houston's own goal, giving RSL a 1-0 lead … 10 minutes later, a 60-yard run by Yedlin set up the first of two Gozo goals, the West Valley-born teen completing the brace on a **Stijn Spierings** primary assist …

RSL GK **Rafael Cabral** also received credit for the secondary assist on the first Gozo goal, becoming the first Claret-and-Cobalt 'keeper since Gavin Beavers back in August, 2024, on a midfield goal by former RSL man Anderson Julio …

ZAVIER GOZO FIRST-EVER UTAH NATIVE NAMED TO MLS ALL-STAR FIRST XI ::

Back in early June, Real Salt Lake, in conjunction with Major League Soccer, announced the First XI players named to the 2026 MLS All-Star Game presented by Chime, an 11-man group featuring Utah's very own **Zavier Gozo** … Selected through a combined vote of MLS fans, players, and media members, 19-year-old attacker Gozo and the First XI highlights the standout performers from the first part of the MLS regular season … The 11 players include icons like Lionel Messi (Inter Miami CF) and Son Heung-Min (LAFC), alongside breakout young talents such as Gozo and Mbekezeli Mbokazi (Chicago Fire FC) …

"It's pretty cool to be the first-ever Utah player to be named an All-Star in MLS," said Gozo, the third RSL Academy homegrown player to earn MLS All-Star recognition (Justen Glad, Aaron Herrera). "I'm very grateful to all the fans, players and media across the league for recognizing me with this prestigious honor."

"I look forward to hopefully having a few of my RSL teammates join me in Charlotte, and I'll be very excited to get back on the field and get things going again later this Summer."

The 2026 MLS All-Star Game presented by Chime will be played in Charlotte, N.C., pitting the MLS All-Stars against a team of All-Stars from Mexico's top soccer league, LIGA MX, next Wednesday, July 29 (6 p.m. MT) at Charlotte FC's Bank of America Stadium …

2026 MLS All-Star Game pres. by Chime First XI:

- Forwards (3): **Hugo Cuypers** (Chicago), **Son Heung-Min** (LAFC), & **Lionel Messi** (Miami)

One of three domestic products (Gozo, Markanich, Schwake), West Valley-born and Eagle mountain-raised Gozo becomes the youngest-ever RSL representative at the annual MLS All-Star Game at just 19 years old, surpassing **Diego Luna**'s 20-year-old selection at the 2024 All-Star game in Columbus … Gozo also becomes just the second teenager to be selected to an MLS All-Star Game in the last five editions, joining Obed Vargas (2025) …

Gozo's six goals in 16 games this season had him tied atop the 2026 RSL Golden Boot leaderboard with rookie **Sergi Solans**, with last year's USA U-20 star Gozo leading the Claret-and-Cobalt way in goal contributions with 11 (6 goals, 5 assists) entering the FIFA World Cup Break … Etching his name into the record books on multiple occasions, Gozo became the youngest in RSL's 22-year history to record two or more goals in a game back on May 13 in a 3-0 home victory over Houston, at just 19 years and 54 days old; that brace eclipsed the previous mark, set nearly three years ago, held by current teammate Luna, who was 19 years and 311 days old back on July 15, 2023 …

Gozo's pursuit of Major League Soccer's all-time record for game-winning goal contributions by a teenager remains in effect, with this year's total of five combined game-clinching goals/assists placing him second all-time, the Utah native remaining three GWCs shy of Diego Fagundez' mark of eight game-winning contributions in 31 games for the 2013 New England Revolution …

URUGUAYAN WORLD CUP STAR JUAN MANUEL SANABRIA SHINES BRIGHTLY THIS SUMMER ::

First-year Real Salt Lake MF **Juan Manuel Sanabria** (nicknamed "JuanMa") emerged as one of few standouts for his home nation of Uruguay in this summer's 2026 FIFA World Cup, *La Celeste* failing to emerge from group play following its final group stage 1-0 loss to eventual champion Spain … Sanabria and Uruguay needed the full three points against Lamine Yamal and Spain to advance to the Round of 32 following a disappointing 2-2 draw with surprising upstarts Cape Verde and a comeback 1-1 draw to open the group stage against Saudi Arabia …

Before starting against both Cape Verde and Spain, the left-sided RSL man entered at halftime for his World Cup debut in the opening match against the Saudis, playing the final 45 minutes and helping spark the South American side's 81st-minute equalizer … Sanabria started and played the full 90 minutes against Cape Verde in the second Uruguayan match, then again being selected to start against Spain – where his assignment was to contain the blazing speed and dynamic skill of Yamal …

Sanabria not only endured the test against the incredible Spanish teen, but made a name for himself with his trademark poise and intelligent play … While Spain dominated possession against Uruguay – as it typically does against any opponent – Sanabria minimized Yamal's effect … On multiple occasions it was Sanabria who either won the ball when on an island with Yamal, or spearheaded Uruguay's swarming defense in and around the box, denying several chances prior to fruition …

Ultimately, it was a 42nd-minute gaffe by the Uruguay goalkeeper that saw a weak shot glance off his hands and into the net for a 1-0 Spain lead at halftime …

Sanabria was removed in the 70th minute as Uruguay opted to push for the two goals needed to ensure advancement, with Yamal subbing out shortly thereafter. Sanabria won 7 of 9 duels, committed one foul (for which he did receive a caution), made seven tackles, three clearances and one interception …

Popular social media memes alluded to Yamal being one of the items Sanabria removed from his pockets, along with keys, phone, wallet, etc., following the contest …

In late May, famed Uruguay manager Marco Bielsa named Sanabria – the dynamic, 26-year-old playmaker to the legendary squad … Sanabria continues RSL's quadrennial World Cup participation tradition, following

in the footsteps of **Bryan Oviedo** (Costa Rica, 2022), **Carlos Salcedo** (Mexico, 2018), **Kyle Beckerman** & **Nick Rimando** (USA, 2014), **Robbie Findley** (USA, 2010), **Eddie Pope** (USA, 2006) and **Douglas Sequeira** (Costa Rica, 2006) …

Sanabria – who leads RSL with six assists in 11 games played so far in RSL's 2026 MLS campaign – departed in late May from Minnesota to Uruguay's training camp in its Montevideo home … Uruguay returned home after the 17th-ranked FIFA nation – which won the World Cup in 1930 as host nation and the 1950 tournament in Brazil – became the highest-ranked side eliminated at the group stage in the 48-team tournament …

Arriving at RSL in late January, Sanabria joined the Claret-and-Cobalt via permanent transfer for the 2026 and 2027-28 Major League Soccer seasons from Liga MX upstart Atlético San Luis, with a Club option for the 2028-29 campaign. Prior to his August 12 transfer to Crystal Palace, RSL Academy homegrown and Utah native **Zavier Gozo** had been sensational this season, with six goals and four assists through 16 matches in 2026, although the early May Dallas performance was perhaps his most muted of the year …

On March 22 at San Diego, the evolving, new-look RSL once again displayed its trademark "xDAWG" resilience in avoiding road losses, as RSL did again in early August at St. Louis …

Despite scoring first at San Diego on March 22, RSL was able to secure a point with the late **Victor Olatunji** equalizer, on the heels of several opportunities for **Diego Luna, Zavier Gozo** and **Morgan Guilavogui** that narrowly missed in RSL's comeback attempt …

Back on March 7, RSL put together an 18-minute, 3-goal burst late in the first half that saw **Sergi Solans** provide his debut goal, **Aiden Hezarkhani** score his second consecutive MLS goal and then a **Zavier Gozo** lefty bombazo to win its first road match in its second attempt of the year …

In its opening away match this season, RSL dropped the Feb. 21 match at Vancouver in a contest that saw a late first-half goal disallowed and a retroactive red card to Sabbi ignored by VAR that could have seen RSL up a man for 40 minutes in a 0-0 contest …

Winning away on just three road occasions a year ago, RSL's 2026 side looks to recapture its Club-best road form achieved during the 2023/24 seasons, when the 2023 side posted an impressive 11W-8L-5T away mark across all competitions, a record which includes that year's Open Cup and Audi MLS Cup Playoff eliminations at Houston …

Newly-acquired Designated Player **Morgan Guilavogui** joined Uruguayan World Cup hopeful wingback **Juan Manuel Sanabria** and veteran DF **Lukas Engel** in making their RSL debuts in the 2-1 win over Seattle on Feb. 28, with the trio of RSL Academy men MF **Luca Moisa** and MF **Zach Booth** joining rookie FW **Sergi Solans** in donning the Claret-and-Cobalt crest for the first time in the Feb. 21 opening-day loss at Vancouver …

Three months ago at Portland, RSL saw first-year U22 DF **Juan Jose Arias** return from injury to make his 2026 debut, which could be critical with centerbacks **Philip Quinton** (calf) and **Lukas Engel** (hip) going down in warmups in recent weeks, and veteran **Justen Glad** (adductor) coming out early in the 61st minute on May 2 against the Timbers …

Also, prior to the Arias debut, newcomer M/F **Saba Lobjanidze** did become the 237th all-time RSL player to log official minutes, the eighth to register an assist in his Club debut and 14th ever to provide a goal contribution in his initial RSL appearance …

ON-FIELD INVESTMENT YIELDS SEVERAL NEW 2026 ARRIVALS ::

Early on in this first full year of Miller ownership, RSL has seen RSL's Chief Soccer Officer and Sporting Director **Kurt Schmid** direct the recruitment efforts to upgrade the first-team roster, as no fewer than five new acquisitions are expected to start regularly throughout 2026 …

Headlining the quintet is Guinean International and Designated Player **Morgan Guilavogui**, a 27-year-old attacker who arrives from RC Lens (French Ligue 1) after previously starring in the German Bundesliga (St. Pauli FC) and the French Ligue 2 (Toulon FC) …

During a flurry of early February transactions, RSL added Guilavogui along with a Colombian centerback,

Juan Jose Arias, who will occupy the fourth and final U22 roster slot for RSL, as well as veteran Liga MX wingback **Juan Manuel Sanabria**, the former Captain for San Luis and a Uruguayan World Cup hopeful this summer …

CELEBRATORY GOAL EXPLOSION APRIL 18 v SAN DIEGO ::

RSL – which has scored two or more goals in nine of its previous 14 contests prior to the World Cup break since the Matchday One shutout suffered at Vancouver – secured multi-goal wins in each of its two games prior to the April 22 Miami loss, downing visiting San Diego back on April 18 by a 4-2 scoreline that saw **Diego Luna** and **Sergi Solans** score 90 seconds apart within the game's first six minutes …

The early goal explosion was just the second time in Club history that RSL scored twice within the first 6 minutes of a match, a feat first accomplished last April in an eventual 2-3 loss against visiting Vancouver, a game that saw **Zavier Gozo** score his first-ever MLS goal in the game's first minute …

RSL saw rookie Solans strike again in the 38th minute and DP FW **Morgan Guilavogui** score his first-ever MLS goal in first-half stoppage for a 4-1 halftime lead in a first-half performance so fun and dominant that RSL boss **Pablo Mastroeni** said he "only had to be a fan, not a coach, in the first 45" in his post-game press conference …

RSL last scored four goals in a first half on June 1, 2024, in a 5-1 win over Austin FC; a month later, RSL found the back of the net four times in the second half of a 5-2 win that July …

DYNAMIC HOME DOMINANCE AGAINST KANSAS CITY ::

Back in that 3-1 home win over KC on April 4, Luna and Guilavogui pulled the strings on an RSL attack that saw rookie striker **Sergi Solans** hit the crossbar twice amongst several near-miss chances …

Early in the second half, Solans atoned for being snuffed in a one-v-one with the KC 'keeper by putting RSL up 2-0, a sequence that saw Guilavogui sublimely back-heel to **Zavier Gozo** at midfield, with the 19-year-old Utah native slaloming into the box before setting up Solans, who cut back from his left to score his third goal in a four-game span …

In the 82nd minute, Gozo himself provided the highlight-reel goal of the year so far, taking a pass from **Noel Caliskan** on the right wing, his first touch popping up and forcing a cross-body volley into the far side of the goal, unknowingly creating the 2008 MLS Goal of the Year from former RSL man Will Johnson in the second-ever match played at the former Rio Tinto Stadium …

For his efforts, Gozo won the MLS Matchday 6 Goal of the Week, by popular fan vote, amidst speculation he could be a late addition to this summer's U.S. World Cup squad, should Pochettino look to take a flyer on the young, prescient winger for his 26-player roster to be unveiled on May 26 in New York …

EARLY-SEASON REMATCH WITH SAN DIEGO FC ::

LATE DRAMA RESCUES RSL IN HOME COMEBACK v AUSTIN ::

In what was perhaps a foreboding for Olatunji's late heroics at San Diego on March 22 was RSL's come-from-behind win at America First Field a week earlier, when Dutch DF **Stein Spierings** came off the bench to provide the game-winning goal in the 88th minute – just seven minutes into his RSL career – to become the sixth debutant out of now 245 in the Club's 22-year history to score in his Claret-and-Cobalt debut, and the first to do so as a substitute …

Spierings' goal – the Matchday 4 MLS Goal of the Week winner – broke a 1-1 deadlock that had featured both goalkeepers – **Rafa Cabral** for RSL and Brad Stuver for Austin – trade exquisite, highlight-reel saves, with RSL rebounding from an 18th-minute set piece concession to Jon Bell to equalize when a **Noel Caliskan** cross in the box was deflected into Austin's own goal …

The composed, come-from-behind win in RSL's last home game matched RSL's total from 2025, when only one of its 13 wins across all competitions arrived when NOT scoring first …

THIRD TIME A CHARM IN ATLANTA VICTORY ::

In an 18-minute span at Atlanta on March 7, RSL saw rookie striker **Sergi Solans** and two of its 18-year-old Academy Homegrowns find the back of the net, with playmaker **Aiden Hezarkhani** scoring for the second time in as many weeks and breakout winger **Zavier Gozo** providing what would prove to be the game-winner …

While making his first-ever RSL / MLS start, French-born Guilavogui assisted on Solans' first-ever professional goal, while Solans then set up the Hezarkhani blast that put RSL up 2-0 midway through the first half … Centerbacks **Justen Glad** and **Philip Quinton** were credited with assists on the lefty Gozo cutback that snuck just inside the far post that gave RSL the 3-1 halftime lead, an MLS "Goal of the Matchday" nominee …

That day's third-ever Atlanta visit, on Matchday 3 of the 2026 MLS season, in the third month of the 2026 calendar, served as the charm, with RSL winning at ATL for the first time ever …

RSL last visited Atlanta in 2022, dropping a 2-1 decision in what was then 18-year-old MF **Diego Luna**'s first-ever start for the Club; RSL also lost in its only previous visit (2-0, 2018) …

UPWARD TRAJECTORY STAGGERED IN 2025 ::

Mastroeni has publicly stated that this season's roster is the most talented he has seen in his five years in Utah …

While the 2025 campaign featured RSL securing its Conference-best fifth consecutive postseason berth, its seventh in the last eight seasons and its 15th in the last 18 years, the Club did suffer its most losses since 2006, and its fewest goals scored since 2015 …

The 3-1 victory at San Diego on April 26 of last year also marked Head Coach **Pablo Mastroeni**'s 100th career coaching win across all competitions for the two Rocky Mountain Cup competitors, RSL (2021-present) and Colorado (2014-17) …
