NEWS & NOTES

TEAM OF THE MATCHDAY

Cole Bassett put Colorado on the front foot of the Rocky Mountain Cup rivalry this weekend with a second-half game-winning goal to earn the Rapids their first victory of the season, and himself, a Team of the Matchday honor. “It’s been four years since we got a win here, so we’re obviously pretty excited,” he said after the win. “We do know that we have two more games against them and another one where we’ve got to come back here, but it feels good to get the first win of the season, especially against RSL. It doesn’t get much better.” The midfielder also recorded his 100th regular-season appearance in the win, becoming the second Homegrown to reach the milestone. Only Dillon Serna has surpassed the achievement in Rapids history with 105 appearances.

MOÏSE BOMBITO'S NATIONAL TEAM CALL UP

Colorado Rapids defender Moïse Bombito has been called up to represent Canada at the 2023-24 Concacaf Nations League Play-In, Canada Soccer announced Tuesday. Canada will play Trinidad & Tobago for one of the final two Concacaf spots at the 2024 Copa América, that is being jointly organized by CONMEBOL and Concacaf. The one-game playoff will take place Saturday, March 23 in Frisco, Texas and serve as a qualifier to the 2024 Copa América this summer.

The match will be played at Toyota Stadium in Frisco Texas on March 23 at 2 p.m. MT. The Canadian team will gather in Frisco on March 18 in preparation for the one-game play-in.

The winner of the Play-In match will join already qualified Concacaf countries - Jamaica, Mexico, Panama, and the United States – along with the winner of the additional Concacaf Nations League Play-In match played on March 23 between Honduras and Costa Rica, for a total of six Concacaf guest nations in this summer's tournament. Should Canada qualify, they will be placed in Group A alongside Argentina, Chile and Peru. They will also feature in the tournament’s debut match, against the current world champions Argentina.

MIGUEL NAVARRO'S NATIONAL TEAM CALL UP

Colorado Rapids defender Miguel Navarro has been called up to represent the Venezuelan National Team for a pair of friendlies. They will face Italy at 3 p.m. MT on March 21 at DRV PNK Stadium in Miami, FL, followed by a match against Guatemala at 4 p.m. MT on March 31 at Shell Energy Stadium in Houston, TX.

At the international level, Navarro has earned nine caps with the senior Venezuelan National Team, including a 2022 FIFA World Cup qualifying match against Argentina. Most recently, Navarro was called up in November of 2023, marking his third consecutive call-up to the Vinotinto. Additionally, Navarro has made 15 appearances for Venezuela at the U-20 and U-23 levels, competing in the 2019 South American U-20 Championship and the 2020 Pre-Olympic Tournament.

Earlier this year, Navarro was loaned to Club Atlético Talleres in Argentina’s Primera División for the 2024 season on a one-year loan with an option to buy.

NEWS & NOTES

ROCKY MOUNTAIN CUP ROAD WIN

The Colorado Rapids earned their first win of the 2024 season in triumphant fashion, putting together a 2-1 performance against longtime rivals Real Salt Lake in a heated first leg of the Rocky Mountain Cup, subduing a raucous, sold-out crowd in Sandy, Utah. Salt Lake managed to break the deadlock in the 22nd minute with midfielder Emeka Eneli's goal.

The Rapids furious comeback began in the 44th minute with Brazilian forward Rafael Navarro converting a penalty kick to send both sides into halftime knotted at one goal apiece. Making his 100th appearance for the club, Homegrown midfielder Cole Bassett provided the difference-maker at the 70th minute with a bullet past RSL 'keeper Gavin Beavers to put the Burgundy and Blue up, 2-1. In his first Rocky Mountain Cup matchup at the helm for the Rapids, Head Coach Chris Armas led the squad to only its fifth win in enemy territory and 16th overall in the series. The 2-1 victory also marked Armas' first win since taking over the program, bringing the team to four points in three games, two of which were on the road. Other notables from the night included Jasper Löffelsend making his Rapids debut against his former team, subbing on for Connor Ronan early in the game, as well as Omir Fernandez earning his first start in Burgundy.

SEATTLE'S LAST MATCH

Due to inclement weather, Seattle's road match against the Philadelphia Union was postponed. The match will be resumed at a later date. Prior to that, Sounders played to a scoreless draw with Austin FC at Lumen Field in their 2024 MLS home-opener.

TUESDAY'S TRANSACTION

The Colorado Rapids announced Tuesday that the club has acquired the later of Vancouver Whitecaps FC's two first-round selections and their natural third-round selection in the MLS SuperDraft 2025, along with up to \$150,000 in conditional 2025 General Allocation Money (GAM) in exchange for midfielder Ralph Priso.

A TRIP DOWN MEMORY LANE

Rapids defender Andreas Maxsø, midfielder Connor Ronan and forward Kévin Cabral all made their Rapids debuts on February 2, 2023, against The Sounders.

Introducing the Rapids' One Flag Kit

On Feb. 16, 2024, the Colorado Rapids unveiled the One Flag Kit. The One Flag Kit features the Rapids' signature burgundy as the primary color with sky blue accents on the sleeves and edges of the jersey. Its waved checker pattern pays homage to the supporters' flags seen throughout DICK'S Sporting Goods Park on matchday. A Colorado state flag is featured on the back of the neck, while the iconic mountain range seen in the Rapids' crest is emblazoned with a "96" in the bottom corner of the jersey, calling back to Colorado's place as an original team in MLS.

As part of the One Flag launch, the club announced a partnership with Colorado Soccer Foundation (CSF), a local nonprofit whose mission is to make the game of soccer accessible to all kids who want to play. For the 2024 and 2025 seasons, the Rapids are partnering with CSF to sponsor soccer-specific after-school programming in elementary schools within the Adams 14 school district. Students are coached by teachers from their schools, practice at their schools and play games at Soccer City Aurora. CSF partners with Positive Coaching Alliance to train the teacher-coaches to embrace the "power of positive" and to teach beginning soccer skills.

"The benefits of the soccer after school program are that it takes place right at the school and it is a pay as you're able program," said Emily Fay, Director of Programming at CSF. "Cost is not a barrier, transportation is not a barrier. What we hear most from families is that peer-to-peer relationships improve the student-athlete relationships with their teachers, improve attendance and overall confidence."

Students are coached by teachers from their schools, practice at their schools and play games at Soccer City Aurora. CSF partners with Positive Coaching Alliance to train the teacher-coaches to embrace the "power of positive" and to teach beginning soccer skills.

"It's so important to the club, that we help grow the game of soccer in the state of Colorado." said Colorado Rapids Senior Director of Community Impact & Events Caitlin Kinser. "We're committed to using our One Flag Kit as a platform to eliminate the various barriers that limit access to the sport and ultimately to make the game more accessible for the next generation of budding soccer stars in our community."

In addition to the after-school programming, the Rapids will also be sponsoring free pick-up play at both DICK'S Sporting Goods Park and Soccer City Aurora during the summer months of June-August.

The Rapids' New Day Kit

Last year on Feb. 15, 2023, the Colorado Rapids unveiled the New Day Kit in support of mental health in Colorado.

Co-designed by Denver-based artist Pat Milbery, the kit features a bright, geometric design inspired by Colorado's sunrises and sunsets through the lens of Milbery's distinct street art style.

The partnership between the Rapids, adidas and Milbery marked the first time in MLS history that a team collaborated with a local artist for a jersey design. The New Day Kit will serve as the club's secondary kit for the 2023 and 2024 MLS seasons.

As part of the kit's launch, the Rapids partnered with Mental Health Colorado (MHC) and UHealth to bring attention to the current mental health crisis in Colorado: nearly one in five Coloradans are living with a form of mental illness, which is the third-highest rate in the country and the state ranks last in the nation in access to care relative to the prevalence of mental illness.

With the launch of the New Day Kit, the club hopes to reduce the stigma of seeking help and amplify awareness of public resources.

Mental Health Awareness Month

The month of May is universally recognized as Mental Health Awareness Month. Alongside the New Day Kit's launch last year, the Rapids had announced a month-long plan on ways the club would look to bring awareness to the mental health crisis affecting so many Coloradans.

During the first week of May, the Rapids had suspended all use of their social media accounts as a way to encourage mental health breaks. The club had also announced a series of programs around the topic of mental health, including a call for fans to volunteer throughout the month with Mental Health Colorado, Project Helping, Go4Graham, and the Denver Park Trust. As part of that, the Rapids had collaborated with Go4Graham to host a free, public seminar to promote mental wellness through exercise on May 15.

On May 27, the Rapids had hosted FC Cincinnati during the club's Mental Health Awareness Night. The club had sported the New Day Kit at home for the first and only time this season, with the jerseys featuring special numbers designed by Pat Milbery for this match. Once inside the stadium, fans had been presented with several opportunities to learn more about the club's four mental-health-focused partners and ways they could join the conversation around mental health.

The Rapids had culminated the month by hosting a Mental Wellness Clinic on May 30 in partnership with Mental Health Colorado, which had featured a 40-minute soccer clinic followed by a Q&A with Rapids players.

DICK'S SPORTING GOODS PARK

DICK'S Sporting Goods Park has hosted some iconic games since it opened on April 7, 2007. Herculez Gomez scored the first MLS goal in the stadium as the Rapids defeated D.C. United, 2-1. DSGP hosted the MLS All-Star Game in 2007, against Celtic FC of Scotland, and again in 2015 against English giants Tottenham Hotspur FC. The U.S. Men's and Women's National Teams have enjoyed great success in Commerce City, with both the men and women boasting undefeated records. On March 22, 2013, the USMNT hosted Costa Rica in a 2014 FIFA World Cup Qualifier, known today as "Snow Clasico," a 1-0 U.S. victory played in a blizzard. The Rapids have played in two Snow Clasicos; first in a 2-1 win over New York Red Bulls in 2016. Then in March 2019, Colorado hosted Portland Timbers in the coldest match in MLS history, regular season or playoffs, with a kickoff temperature of just 18° F. The Rapids scored in 32 consecutive MLS matches at DICK'S Sporting Goods Park between October 2018 and August 2021, the longest streak in club history and the fifth-longest in league history.

THE NORTH BOUNDARY

On May 10, 2023, the Rapids had announced plans to renovate the north terrace at DICK’S Sporting Goods Park into the ‘North Boundary,’ marking it as the first field-level, outdoor patio in Denver sports.’

Debuting on July 4, 2023, for the club’s annual 4th Fest celebrations, the terrace-level renovations had created an immersive, close-up experience for watching Rapids games.

Designed by Denver-based planning & landscape architecture firm StackLot and constructed by Turner Construction, the North Boundary will more than double the capacity of the stadium’s current north terrace. The renovated area, located just steps behind the north goal, feature field-side seating, patio tables and a communal space for fans to experience the game up close while enjoying exclusive access to food trucks, bars and gameday activations.

“We’re thrilled to announce our plans for the North Boundary and provide our fans with a new, immersive and engaging way to experience Rapids games. The North Boundary adds to our ongoing matchday enhancements this year as part of our commitment to providing a top-class experience for our incredible fans and making Rapids games the heartbeat of sport in Colorado.”

Chris Armas was appointed as the 10th permanent head coach in Rapids history on November 16, 2023.

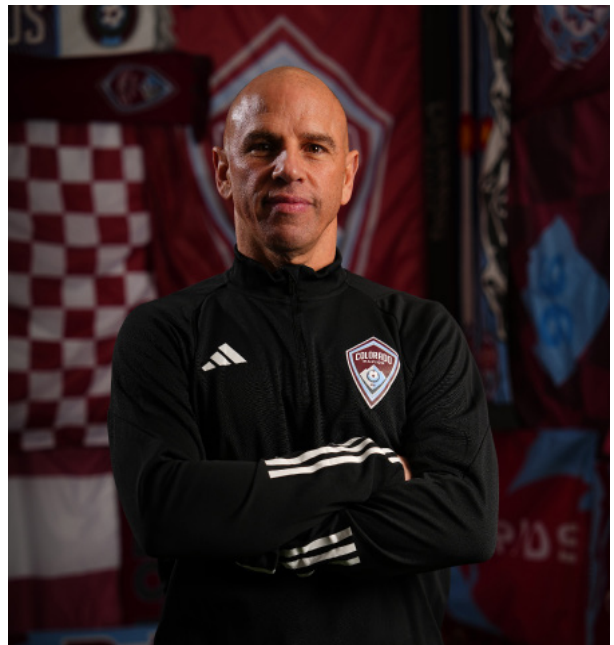

Armas, 51, joins the Rapids with two decades of combined experience in MLS as a player and coach. The former defensive midfielder (LA Galaxy, Chicago Fire FC) enjoyed a successful, 12-year playing career in the league during which he won an MLS Cup (1998), a Supporters' Shield (2003) and four Lamar Hunt U.S. Open Cups (1998, 2000, 2003, 2006). A six-time MLS All-Star (1998, 1999, 2000, 2001, 2003, 2004), Armas is one of only five players in league history to have been named to the MLS Best XI five times (1998, 1999, 2000, 2001, 2003). After recovering from an ACL injury sustained in 2002, he was named the MLS Comeback Player of the Year in 2003, as well as Chicago Fire FC's MVP during their Supporters' Shield-winning season that same year.

A native of New York City, Armas earned 66 caps for the U.S. Men's National Team during his playing career, winning two Concacaf Gold Cups (2002, 2005), as well as being named the U.S. Soccer Male Athlete of the Year in 2000.

After his retirement from playing, Armas began his coaching career in 2008 as an assistant coach for Chicago Fire FC before spending four years as head coach of Adelphi University's women's soccer team. In 2015, he joined the New York Red Bulls as an assistant coach as the side won the Supporters' Shield that year. Armas was then appointed Red Bulls head coach in July 2018 following Jesse Marsch's departure to RB Leipzig, finishing the regular season with a 12-3-3 record as his side won the 2018 Supporters' Shield, while also leading the club to the Eastern Conference Finals. Most recently, Armas served as an assistant coach for English Premier League sides Manchester United (2021-22) and Leeds United (2023).

ARMAS ON BEING NAMED RAPIDS HEAD COACH

"I'm incredibly proud and excited to take the role as the head coach of the Colorado Rapids," said Chris Armas. "This is a club that has had success in the recent past and KSE is an organization that has a strong track record of winning championships. Throughout the process I was struck by the desire of the organization to return to the playoffs and compete for trophies. I'm as hungry as ever to deliver this success to our fans and our club. I've always been eager to implement my style of play at a club that plays and trains at altitude. This advantage, along with high energy, attacking and entertaining football, can help our team and fans return to home field dominance. I'm thrilled to have the opportunity to take the reins and to work with the entire staff to get the club back into the playoffs and ultimately to bring another MLS Cup to Colorado."

CAPTAIN KEEGAN

Drafted third overall in the 2016 MLS SuperDraft by the Philadelphia Union, Roseberry become the first-ever MLS rookie to play in every minute of every game in a 34-match regular season.

On Dec. 19, Rosenberry was traded from the Union to the Rapids where he recorded 17 appearances in his first season with the team. Since joining Colorado, Rosenberry has recorded six goals and 10 assists.

Fun Fact: Rosenberry is the Rapids' unofficial barber, giving fellow teammates haircuts in his free time in between matches.

Rosenberry is in his fifth season with the Rapids, where he has only missed five total regular-season matches in the previous four seasons. The 29-year-old attended Georgetown University from 2012-15, where he helped the Hoyas men's soccer team to an NCAA Division 1 Final Four appearance in his freshman year.

COLE'S CONTRIBUTIONS

Bassett, 22, has registered 97 appearances in burgundy since his Rapids debut on Sept. 8, 2018. He leads all Rapids Home-growns in starts (74), minutes (6,465), goals (19), and assists (12). The club's 2023 Golden Boot Winner achieved a new single-season career high with six goals last season. He was

loaned to Fortuna Sittard in August 2022 after the Rapids recalled him from a loan with fellow Eredivisie side Feyenoord Rotterdam. In all, Bassett registered 19 appearances overseas, scoring one goal and delivering one assist across both clubs since his initial move to the Netherlands in January 2022.

The Littleton, Colorado, native is a product of local youth side Colorado Rush and joined the Rapids Academy in 2017 before signing a Homegrown Player contract with the club in August 2018 at age 17, then the youngest signing in Rapids history. At the time, he set additional records as the youngest player in club history to make his professional debut and score a goal.

At the international level, Bassett earned his first call-up with the U.S. Men's National Team, scoring the game-winning goal in 1-0 friendly win over Bosnia & Herzegovina on Dec. 18, 2021. Most recently, Bassett was included in the U.S. Men's Olympic roster during the November International Window, contributing with an assist in the U.S.'s 1-1 draw with Iraq U-23.

VOYCENOW FOUNDATION

VOYCENOW was founded as a direct response to the Black community's fight for equality. After the tragic murder of George Floyd, Zack Steffen, felt empowered to take action and speak out against the racial inequalities plaguing our nation. This pushed Zack to join forces with his former University of Maryland and

Columbus Crew teammate Alex Crognale to create VOYCENOW Foundation, a nonprofit that unites athletes from across the world to use their platforms to advocate Equality for All.

Propelled by their desire to use their social media platforms to ignite positive change, the founders are committed to rallying their fans and supporters to become allies for the Black community. Since its origins, VOYCENOW is now backed by the collaborative efforts of 150+ Athlete Ambassadors spanning 20 leagues and 13 countries. Together they make up VOYCENOW, a community of change-makers fighting for equality.

The VOYCENOW community is dedicated to empowering the next generation of changemakers. Our efforts are organized into three key programs: Academic Success, Sports & Activities and Healthy Habits.
