HEAD COACH & SPORTING DIRECTOR GREG VANNEY

The LA Galaxy announced in January 2021 that the club named Greg Vanney Head Coach. Vanney, 46, began his professional career as a player with the LA Galaxy and returns as Head Coach after a six-year stint as Toronto FC's Manager in which he became the only coach to capture an MLS Treble by winning MLS Cup, the MLS Supporters' Shield and the Canadian Championship during the 2017 season.

Vanney stepped down as Toronto FC manager following the 2020 MLS Season as both the most successful and longest-tenured coach in Toronto FC's history with every major club record, including total wins (112) and games coached (250). In all, Vanney recorded an 87-68-48 MLS Regular Season record and a 10-5-2 MLS postseason record while being named MLS Coach of the Year and Concacaf Coach of the Year in 2017. As Toronto FC's coach, the former Galaxy defender helped lead his side to the MLS Cup Playoffs in five of the previous six seasons (2015, 2016, 2017, 2019, 2020), while making appearances in three MLS Cup Finals (2016, 2017, 2019) and the Concacaf Champions League Final (2018). He also helped his side capture three-straight Canadian Championships (2016, 2017, 2018).

As a player, Vanney made 270 total MLS Regular Season appearances, including 193 as a member of the LA Galaxy, tied with Todd Dunivant for the sixth-most appearances of any player in LA Galaxy history and trailing only Cobi Jones (306), Landon Donovan (253), Kevin Hartman (243), Mauricio Cienfuegos (206) and A.J. De-LaGarza (204). With LA, Vanney helped lead the club to a Supporters' Shield (1998), CONCACAF Champions' Cup (2000) and U.S. Open Cup (2001) while being named to the MLS Best XI twice (2000, 2001) and earning honors as LA Galaxy Defender of the Year (2001). He also made an additional 32 MLS Cup Playoff appearances, including 26 postseason appearances with the Galaxy.

Vanney began his professional playing career after being drafted by the Galaxy from UCLA with the 17th overall selection in the 1996 MLS College Draft. During his time as a professional, Vanney represented the Galaxy, FC Dallas, Colorado Rapids and D.C. United in Major League Soccer while also playing a stint for Bastia in France. He also earned 11 caps with the U.S. Men's National Team, making his debut in 1996 before later featuring in the 2005 Concacaf Gold Cup Championship and 2006 FIFA World Cup Qualifiers.

Following his retirement after the 2008 MLS season, Vanney served as the Real Salt Lake Youth Academy Director from 2008-2011 before joining Chivas USA as an assistant coach from 2011-2012. Vanney originally joined Toronto FC as the club's assistant general manager and academy director in 2013 before being named head coach and technical director on August 31, 2014.

NOTABLE QUOTES

LA GALAXY HEAD COACH GREG VANNEY

On the personality of this team to fight back to earn the come-from-behind victory:

"Yeah, they believe in it. They believe in each other. Again, when we can find the right balance in our game, then we are a very dangerous. Tonight for a long stretch we just didn't find the right balance in the game and we can also be very vulnerable if we don't. I feel like we found it again towards the end. I think Gastón [Brugman] came in and did a nice job. When Gastón came in Riqui [Puig] started to get closer to Gastón, and I think he was too far away from Eddie [Edwin Cerrillo] at times, which meant that we had these two pivots. But they were so far apart, they were isolated and then when Gastón came in he was closer and they were able to combine on each other a little bit more. I think that drew their midfield out a little bit and opened up spaces behind them where we could build space. Mark [Delgado] dropped lower and rolled out so other things to open up pockets started to happen and that got us going. But the group has been resilient. Again, not an easy place to play and took us a little while to find our way in the game but we did. The other side of it is we have to defend set pieces better. We had to defend a lot of set pieces, but we defended -- we didn't do our job and that's been five, I think, we've given off now in the course of the season, which is too many. We have to reassess whether we are doing the right things with the group and what needs to change there."

LA GALAXY FORWARD DEJAN JOVELJIĆ

On what he saw on the game-tying goal that he scored:

"I know just it's my job to just make a good run and he's going to put the ball in the right place, so I did that two times and unfortunately the first time was offside, and the second one was perfect. So it was just an easy goal."

On what was said at halftime to turn around the game:

"Of course it was belief. I remember that I said, guys, we need just one goal, and everything is going to turn out, and it's like that. We score one goal and we created some chances. In the first half I was thinking, am I going to shoot one ball in this game? You see it's completely two different halves and two different matches. In the second half, we came out and we killed them."
