**#SEAvSKC: HEAD-TO-HEAD**

Sporting Kansas City (7-14-7, 28 pts.) remains on the road this weekend with a visit to take on Seattle Sounders FC (12-9-7, 43 pts.) at Lumen Field on Sunday night. Sporting's last two matches against Seattle has seen the team snap 10-game winless runs in 2023 and 2024, but the club enters Sunday's clash in better form - going 2-0-1 in their three matches since the Leagues Cup break and 6-3-2 in their last 11 games.

Sporting KC has had the edge over the Sounders since the start of the 2015 season, winning 11 of 19 meetings on their way to a 11-5-3 record.

Sporting welcomed Seattle to Children's Mercy Park earlier this season on June 8, 2024, desperately attempting to get back on track having gone 0-8-2 in their previous 10 matches. Seattle looked as though they'd add to Sporting's misery when Jordan Morris gave the visitors the lead in the first half, but after Johnny Russell's equalizer, substitute Alenis Vargas drew a red card on Reed Baker-Whiting before bagging a 85th-minute winner to secure all three points.

Sporting last visited Seattle in what turned out to be a pivotal match on May 7, 2023. Entering the game, Sporting was a winless 0-7-3 on the season while Seattle was top of the West but an inspired performance from Peter Vermes' squad led to a 2-1 victory on the road behind goals from Erik Thommy and Alan Pulido. The win spurred Sporting into posting the best record in the West for the remainder of the season and a deep run in the MLS Cup Playoffs.

The all-time regular-season series between the two teams is remarkably balanced at 12-12-4, with identical 6-6-2 records both home and away and 36 goals scored each.

## SPORTING KANSAS CITY NEWS AND NOTES

**BUILDING ON SOLID FORM**

Sporting Kansas City will look to continue the club's solid recent run of form this weekend when the team pays a visit to Seattle to take on the Sounders at Lumen Field on Sunday night. Sporting are 2-0-1 in all competitions since the Leagues Cup break and 6-3-2 across their last 11 matches.

Sporting will visit Lumen Field for the first time since a monumental 2-1 victory at the venue on May 7, 2023 that snapped a 10-game winless run to start the season and spurred a historic turnaround as Sporting made the MLS Cup Playoffs and advanced to the Western Conference Semifinals in 2023.

Seattle are in fine form recently, going 8-2-1 in their last 11 MLS matches since falling to Sporting 2-1 at Children's Mercy Park on June 8, 2024, while Sporting will be smarting after seeing a late lead evaporate in the club's 1-1 draw with the New York Red Bulls last weekend as the team remains eight points outside the ninth and final playoff position. Manager Peter Vermes will be hoping to pick up all three points as he coaches his 500th regular-season match for the club on Sunday.

**COAST-TO-COAST**

Sporting Kansas City follows up last week's visit to the Northeast with a trip to the Pacific Northwest this coming weekend when the team heads up to Washington State to face off against the Seattle Sounders at Lumen Field on Sunday night.

Sporting has won their last two matches against Seattle - both snapping 10-game winless runs for club. Sporting went winless (0-7-3) in their first 10 matches in 2023 before a 2-1 victory at Lumen Field on May 7, 2023 that spurred a remarkable run as Sporting qualified for the postseason on the final day. Erik Thommy and Alan Pulido each got on the scoresheet that day before Nico Lodeiro pulled a goal back from the spot.

Thirteen months later, Sporting was again in the midst of a 10-game winless run (0-8-2) after a decent start to the campaign when Seattle came to visit Children's Mercy Park on June 8, 2024. After falling behind to Jordan Morris' early goal, Sporting rallied an equalized through Johnny Russell before youngster Alenis Vargas struck in the 85th minute to get Sporting back in the win column.

The regular-season series between the two sides is remarkably and delicately poised, as the two teams are deadlocked at 12-12-4 with identical 6-6-2 records home and away with 36 goals scored each.

**PULIDO BACK ON TARGET**

Sporting Kansas City striker Alan Pulido was back on the scoresheet this past weekend when he opened the scoring in Sporting's eventual 1-1 draw with the New York Red Bulls at Red Bull Arena on Saturday night.

Pulido showed his finesse and poise by receiving Jake Davis' pass on his head before volleying a finish between the legs of Ryan Meara in the New York goal. Pulido now has six goals this season in all competitions, second most on the team behind William Agada (11), while he also has goal contributions in three straight MLS matches.

The Mexican frontman now has 36 career goals for Sporting in all competitions, passing Benny Feilhaber and Graham Zusi for sole possession of ninth most in club history. Pulido was named to the bench of the MLS Team of the Matchday following his goal.

**SHELTON NAMED TO TEAM OF THE WEEK**

Sporting Kansas City forward-turned-defender Khiry Shelton enjoyed another fine performance in the club's 1-1 draw with the New York Red Bulls at Red Bull Arena last Saturday, culminating in a spot on the MLS Team of the Matchday.

Shelton marked his 200th career appearance in MLS competitions with a strong shift at right back on Saturday, recording the most duels won (11), most recoveries (10) and most interceptions (2) of any player in the match as part of a defensive performance that saw Sporting KC hold the Red Bulls to their fewest shots and shots on goal at home this season.

Shelton has spent the vast majority of his 10-year career playing across the frontline of Sporting, New York City FC and SC Paderborn in Germany. Following a few cameos at right back throughout the 2023 season, Shelton has been given a run of games in the position over the last three months - an experiment that's become increasingly critical with Jake Davis' resurgence in midfield and the departure of Kayden Pierre to KRC Genk in Belgium.

Shelton has started 10 matches across all competitions at right back in 2024, eight of which have come in the team's last 10 games dating back to July 10 - helping Sporting go 5-1-2, with the only loss coming against Liga MX high-fliers Toluca FC in the Leagues Cup.

**DAVIS HIT WITH 2-GAME SUSPENSION FOLLOWING VISIT TO NY**

Sporting Kansas City Academy product Jake Davis had an eventful outing during the club's 1-1 draw with the New York Red Bulls at Red Bull Arena on Saturday night, making an impact in both the scoring and disciplinary summary.

First, Davis showed his deft touch with a brilliant pass on his weaker left foot to pick out Alan Pulido for the opening goal of the match early in the second half. Davis now has five goal contributions in Sporting's last three matches across all competitions (one goal and four assists), and he has nine goal contributions (three goals and six assists) on the season.

In the 87th minute, Davis picked up a yellow card for a foul in midfield, earning him a suspension for yellow-card accumulation. Five minutes later, Davis received an unfortunate second yellow card after being penalized for a 50-50 challenge, meaning that he will now be suspended for two matches - one for yellow-card accumulation and one for the red card.

**AFRIFA MAKES CANADA DEBUT IN KANSAS CITY**

A familiar face earned a career milestone during the United States Men's National Team's friendly match against the Canadian Men's National Team at Children's Mercy Park on Saturday afternoon.

In the first USMNT match after Copa América, the Americans fell 2-1 to a rampant Canadian side that saw Sporting KC forward Stephen Afrifa make his international debut late on after a breakout campaign in MLS.

Afrifa checked into the match in place of star striker Jonathan David deep into second-half stoppage time for a brief cameo, a reward for a fine sophomore season in Kansas City where he's tallied five goals and three assists in all competitions while starting just eight matches. Afrifa earned his second cap against Mexico in Arlington, Texas on Tuesday.

The result snapped the USMNT's unbeaten streak all-time at Children's Mercy Park (8-1-2). A host city for FIFA World Cup 2026, Kansas City has a rich history of supporting the U.S. Men's and Women's National Teams, who are a combined 16-2-6 in Kansas City and 12-1-4 at Children's Mercy Park.

**SPORTING ADVANCES TO OPEN CUP FINAL**

Sporting Kansas City advanced to the club's fifth Lamar Hunt U.S. Open Cup Final following a 2-0 victory over Indy Eleven at Children's Mercy Park on Tuesday, Aug. 27 and will now visit LAFC at BMO Stadium as the team looks to become the first team in the MLS-era to win the tournament five times and tie the record held by Maccabi Los Angeles and Bethlehem Steel in the competition's 109-year history.

Sporting will visit an LAFC team that has spent the 2024 season close to the summit of the Western Conference. Sporting advanced to the final with a 2-1 win in extra time at Union Omaha (USL League One) in the Round of 32, a 4-0 victory over FC Tulsa (USL Championship) in the Round of 16, a 2-1 triumph in extra time against FC Dallas (MLS) in the Quarterfinals and a 2-0 win over Indy Eleven (USL Championship) in the semis.

Sporting has prevailed in 29 U.S. Open Cup matches since 2012, more than any other team in American soccer, during a run that includes an active 16-match home unbeaten streak in U.S. Open Cup play since the start of 2015.

**QUOTES: #NYvSKC****Sporting KC Manager Peter Vermes**

*On Sporting's performance in the 1-1 draw...*

"I don't think they had any chances. Like I said, I think it was a good, spirited game. If anybody has to drive the game, they should. They're at home. I thought that we played well. We were very organized, very disciplined. They weren't breaking us down. They had one chance in the first half. Outside of that, I thought that we were excellent. We didn't give up any shots, really. We didn't give up anything. In the second half, the game opened up a little bit. As I said, we get into a good position, we score, and we're in a good position. We played a great game. Pulido's goal was his first league goal in a little while, and it looked like it was a direct result of some persistence and determination around the box with a loose ball. It's a good scoop from Jake (Davis)."

*On limiting New York's scoring opportunities...*

"They love to play that direct ball to the back and play second balls. I thought we handled that part really well. We either won the ball or we picked up the second ball in our area. Normally if we didn't, I thought our two central midfielders—they were dogs today. They were excellent at getting out and putting pressure and pushing them backwards so they didn't get sustained possession within our half. (Jake Davis and Zorhan Bassong) did a yeoman's job in the middle of midfield."

SPORTING KC AND CHILDREN'S MERCY KANSAS CITY CONTINUE TO IMPACT LOCAL COMMUNITY

A leading independent children's health organization dedicated to holistic care, translational research, educating caregivers and breakthrough innovation to create a world of well-being for all children, Children's Mercy Kansas City began a 10-year partnership with Sporting KC in 2016. Children's Mercy provides the highest level of care for children from birth through the age of 21. U.S. News & World Report has repeatedly ranked Children's Mercy as one of "America's Best Children's Hospitals."

**Children's Mercy**  
KANSAS CITY

The comprehensive partnership between Sporting KC and Children's Mercy Kansas City – which includes naming rights to Sporting KC's world-class stadium, Children's Mercy Park, as well as the Sporting KC II and Sporting KC Academy complex at Swope Soccer Village – is also at the forefront of Sporting's state-of-the-art training ground at Compass Minerals National Performance Center. In a first-of-its-kind collaboration between a professional sports team, a national sports federation and a sports medicine provider, the facility opened in 2018 and features the Children's Mercy Sports Medicine Center alongside Sporting Kansas City and U.S. Soccer.

Children's Mercy Kansas City is also the official health care and sports medicine provider for the Sporting Kansas City Academy and Compass Minerals National Performance Center as part of a multi-faceted partnership that focuses on the following three components to impact the local community:

**1. Strengthening community**

- The partnership directly supports The Victory Project, Sporting's foundation to help children - including those with cancer and disabilities – through all of life's challenges.
- Sporting KC players and staff engage with, encourage and inspire Children's Mercy patients throughout the year during hospital visits and special events.
- FLEET, an innovative team of remote experience robots operated via an iPad, regularly attends Sporting KC home matches to provide an all-access interactive experience for patients at Children's Mercy. Manufactured by Double Robotics, the robot allows users to enjoy two-way live audio and video captured from a 150-degree wide-angle lens while navigating to control their own VIP behind-the-scenes journey.
- Launched in 2018, the RED CARD campaign addresses one of the most significant social issues impacting children nationwide by empowering youth and adults to prevent and intervene in bullying. Through school assemblies and community-wide messaging, the RED CARD initiative aims to reach children, parents, teachers and coaches who have daily opportunities to create supportive environments and stop bullying in its tracks. In 2023 and 2024, Sporting and Children's Mercy teamed up to provide 90 students at 30 local elementary and middle schools with SKC jerseys on National Random Acts of Kindness Day as part of a Kindness In The Schools (K.I.T.S.) initiative.

**2. Improving access to pediatric-trained sports medicine**

- The Children's Mercy Sports Medicine Center at Village West is located inside Compass Minerals National Performance Center and offers a full range of sports medicine services, resources and programming for youth athletes. More than two million high-school athletes and 3.5 million children under age 14 are injured each year in the U.S. playing sports. Only a small percentage are treated by pediatric-trained sports medicine specialists who truly understand the youth's growing body, developing brain and unique psychosocial stressors.

**3. Protecting youth athletes and educating parents and coaches**

- The partnership provides athletic training, rehabilitation and conditioning programs for the Sporting KC Academy's six teams at Swope Soccer Village, which hosts Sporting KC II home matches as well as year-round athletic leagues, tournaments and other marquee events.

**MANAGER & SPORTING DIRECTOR | PETER VERMES**

Peter Vermes is in his 16th season as Sporting Kansas City Manager in 2024 and is the longest-tenured active head coach in MLS. He is the team's longest-serving manager and his 250 coaching victories in all competitions are the most club history. During his tenure, he has won four major trophies – the 2012, 2015 and 2017 Lamar Hunt U.S. Open Cups and the 2013 MLS Cup championship – and finished atop the Eastern Conference regular-season standings in 2011 and 2012, as well as the Western Conference most in Open Cup history. He is the first coach in club history to lead Sporting KC to eight straight postseason appearances, as well as the only person to ever win the MLS Cup as both a player and a coach with the same team. His 202 regular-season wins top the club's all-time chart and rank third most in MLS history. He passed his former coach Bob Gansler as the winningest manager in team history with a 3-1 win over Real Salt Lake on Aug. 12, 2015, his 109th victory in all competitions.

On August 4, 2018, Vermes coached his 302nd MLS regular-season game with Sporting KC, becoming the league's all-time leader in games coached for one club. He was named the first-ever MLS Sporting Executive of the Year by his peers in 2018. Vermes has coached 594 total games during his Kansas City coaching career, most in club history.

With over 15 years of service at Sporting KC, Vermes is one of the longest serving managers in world soccer. Among all leagues with an average attendance of 10,000+, Vermes ranks second, only behind Bundesliga side FC Heidenheim's Frank Schmidt (Sept. 17, 2007 – present). Among the top 126 leagues in the world as denoted by the CIES Football Observatory in March 2022, Vermes' tenure at ranks as the fifth longest active run.

Vermes oversees all soccer operations for Sporting KC, including the active roster, Sporting Kansas City II (MLS NEXT Pro) and the Sporting KC Academy. Vermes entered MLS ahead of its inaugural season in 1996 and retired from the league in 2002, closing out his playing career in Kansas City after stints with the New York/New Jersey MetroStars and Colorado Rapids.

Following a standout high school career in which he was named New Jersey Player of the Year, Vermes was a star forward and All-American at Rutgers University. After college, Vermes represented the United States in the 1988 Olympics in Seoul, Korea, and was named 1988 Chevrolet U.S. Male Soccer Athlete of the Year for his efforts.

Vermes was an integral part of a young U.S. team at the 1990 World Cup in Italy, where he nearly scored against the host Azzurri. It was the first time the U.S. had qualified for the World Cup in 40 years and set the stage for the progress of the U.S. National Team. In 1989 and 1990, Vermes became the first American to play in the Hungarian and Dutch First Divisions, playing for Raba ETO and FC Volendam, respectively. He later spent five years with Figueres of the Spanish Second Division.

For MLS's inaugural season in 1996, Vermes served as captain of the New York/New Jersey MetroStars. In 1997, he was traded to the Colorado Rapids for current Sporting KC Assistant Coach Kerry Zavagnin and played in Denver through the 1999 season, leading the Rapids to the 1997 MLS Cup Final.

Vermes joined Kansas City in 2000 for what would be the most successful season of his MLS career. During his first year in Kansas City, he anchored one of the best defenses in league history and won MLS Defender of the Year honors in helping lead the Wizards to the 2000 MLS Cup Championship. He retired in 2002 after appearing in 209 MLS matches (including playoffs) and playing more than 18,000 minutes. In 2013, Vermes was inducted into the National Soccer Hall of Fame.

**ASSISTANT COACH | KERRY ZAVAGNIN**

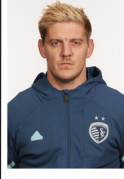

Kerry Zavagnin currently holds the MLS record as he enters his 25th season with one club as a player or coach. Zavagnin first joined Kansas City in 2000 as a holding midfielder and was an integral part of the club's midfield for the next nine seasons, during which time he helped lead the Wizards to MLS Cup (2000) and U.S. Open Cup (2004) Championships. He was named to the MLS All-Star team and the Best XI in 2004. Zavagnin's primary duties as an assistant include scouting, developing Sporting Kansas City's younger players, breaking down film and assisting with training sessions. He started his professional career with the MetroStars, where he played in 39 games over two seasons. After spending one season with the Lehigh Valley Steam (USL-1), Zavagnin came to KC in 2000. He played 237 games and logged 20,516 minutes for Kansas City, setting team records in both categories before being overtaken by Matt Besler early in 2018. He scored eight goals and added 22 assists in his nine seasons in KC. Zavagnin was named Team Defender of the Year in 2001. On top of his club success in Kansas City, Zavagnin also appeared 21 times for the U.S. Men's National Team. He recorded one assist for the U.S., who went 15-2-4 when Zavagnin featured.

**ASSISTANT COACH | ZORAN SAVIC**

Zoran Savic joined Sporting Kansas City late in the 2009 season after a 30-year career at all levels of the game in the United States. A native of Gornji Milanovac, Yugoslavia, Savic began his journey through American soccer with the Buffalo Stallions of the Major Indoor Soccer League in 1980. Savic would go on to star for several MISL teams, with his most prosperous period coming with the Kansas City Comets, with whom he scored 70 goals in just over 100 appearances from 1982-1984. After retiring as a player in 1991, Savic turned his attention to coaching in the indoor game. Savic led the Kansas City Attack from 1992-1996, winning Coach of the Year honors for the 1994-1995 season while also serving as the team's General Manager. Savic later coached the Kansas City Comets from 2000-2005. In 2007 Savic switched to the outdoor game, joining Chivas USA as an assistant to then-head coach Preki before moving into the commentary booth for Kansas City matches in 2008 and 2009. Savic's career as a commentator was cut short, however, when newly installed Manager Peter Vermes tabbed Savic to be part of his coaching staff late in the 2009 season.

**ASSISTANT COACH | ASH WALLACE**

Ash Wallace has served on Sporting Kansas City's technical staff since 2012, aiding the first team coaching staff in a variety of roles. Wallace, originally from England, helps scout and develop game plans for upcoming opponents, assists in planning and executing training sessions and provides valuable analysis for coaches and players regarding strategy. Wallace holds a U.S. Soccer A License. Wallace's first involvement with the club came in August 2012 when he was contracted to produce a detailed scouting report on Seattle Sounders FC ahead of the U.S. Open Cup Final, helping Sporting claim their first of four major titles during a trophy-laden decade. Prior to joining Sporting KC, Wallace was a member of the Preston North End coaching staff and also served as an opposition scout for Fleetwood Town in his native England. Earlier in his career, he worked with Preston North End's women's academy teams and Penwortham Boys academy teams while earning a Degree in Sports Coaching from the University of Central Lancashire.

**GOALKEEPER COACH | ALEC DUFTY**

Alec Duffy is in his ninth season with Sporting Kansas City having been introduced to the organization as the Sporting KC II goalkeeper coach in the side's inaugural season in 2016. In his first season working with the Sporting KC first team, starting goalkeeper Tim Melia enjoyed a record-breaking season where he was named the 2017 MLS Goalkeeper of the Year. A former MLS player, Duffy began his playing career with the New York Red Bulls in 2009, making one appearance before joining the MLS reserve goalkeeper pool. In 2010, Duffy joined USSF D2 Pro League side AC St. Louis, making 30 appearances before returning to MLS with the Chicago Fire in late 2010. He announced his retirement at the conclusion of the 2011 season. Duffy then took to coaching, first working with Florida Gulf Coast University and then the University of Illinois at Chicago. In 2015, Duffy served as goalkeeper coach for Toronto FC II in their inaugural USL Championship season.

**DIRECTOR, SPORTS PERFORMANCE & SCIENCE | JOEY HARTY**

Joey Harty was named Sporting Kansas City's Director of Sports Performance and Science ahead of the 2020 season, stepping up from his role as assistant fitness coach which he held from 2018-2019. Harty manages all aspects of the club's performance department from the academy to the senior team. He oversees day-to-day training plans on and off the field, including work in the weight room, soccer session planning, on-field movement training, data analysis and more, aiming to optimize player health and performance. Harty joined Sporting's organization in January 2016, serving as a fitness coach for the Sporting Kansas City Academy before spending the 2017 season as head fitness coach for Sporting KC II. The Colorado native then transitioned to assistant fitness coach for Sporting's first team in January 2018 before landing his current role with the club. Prior to arriving in Kansas City, Harty worked for Phoenix Rising FC and Grand Canyon University in Phoenix, Arizona. Harty attended Grand Canyon from 2010-2014, played for the men's soccer team from 2010-2012 and graduated with a bachelor's degree in Kinesiology and Exercise Science. In addition to holding several professional licenses and certifications in athletic performance, Harty is a Certified Strength and Conditioning Specialist (CSCS) through the National Strength and Conditioning Association.
