WEEK TWO – FINALLY BACK HOME ::

Real Salt Lake is finally back on Utah soil this week, looking to bounce back from Wednesday's shocking elimination from CONCACAF Champions Cup play against Costa Rica champions CS Herediano ...

RSL wasted numerous early chances to put the game away, a 1-0 lead on a 26th-minute goal from first-year striker **Forster Ajago** not enough ...

Despite dominating the match in shots, shots on goal, corners, possession, etc. – Herediano equalized in the 70th minute following sloppy play and a bad turnover in the back for RSL, conceding the deadly away goal, the home side then forced to chase the game-winner for the final 20 minutes ...

In the ninth minute of extra time, RSL fouled a Costa Rican player in the box and conceded the penalty dagger from Herediano ...

MLS ACTION ON SATURDAY ::

After just six of its last 24 days spent at home, RSL ends a full week on the Wasatch Front with Saturday afternoon's 2:30p MT kickoff against the visiting Seattle Sounders FC, a game expected to sell out America First Field while also being available via Apple TV+ / MLS Season Pass, with **Max Bretos & Brian Dunseth** (ENG) on the call, as are **Francisco X. Rivera & Martin Zuniga** (SPN) ...

In League play, RSL will look to bounce back from its heaviest MLS Opening-Day defeat since 2007, a 4-0 loss at San Jose Saturday night against the Earthquakes ... After a 1-0 halftime deficit, RSL conceded the remaining three goals in a 13-minute period from the 70th to 83rd minutes that saw the home side punish individual errors all over the field ...

ANOTHER BOUNCEBACK CHANCE ::

One of the hallmarks of RSL during the **Pablo Mastroeni** era has been its ability to bounce back from losses, dropping just 11 overall back-to-back scenarios across all competitions in Pablo's 142 overall games managed since August, 2021 ...

Wednesday's elimination game against Herediano was RSL's fifth consecutive loss in knockout contests, and its seventh in its last nine overall since the 2023 U.S. Open Cup Semifinal run ...

At home, RSL had won its last three elimination matches on Utah soil prior to Wednesday, last winning a shootout against Houston in the second leg of its 2023 Audi MLS Cup Playoff series ...

Earlier in 2023, RSL also defeated Liga MX power Leon that August, winning 2-1 after conceding the first goal in a Leagues Cup Round of 32 contest ... Two months prior, RSL won its Open Cup Quarterfinal match, also at home, against the LA Galaxy by a 3-2 margin to avoid elimination ...

In 2022, RSL dropped a Round of 32 Open Cup match at America First Field against a lower-division opponent, Hailstorm FC, in just the fourth home knockout contest of 17 overall elimination matches during the Mastroeni era ...

That number jumps to 18 if you include the 2021 "Decision Day" must-win "Damiracle" at Sporting Kansas City, RSL with the game-winning goal at 94:38, mere seconds from full-time, to advance to the postseason in Pablo's first year as manager, which saw RSL progress all the way to the West Final ...

ALL-TIME OPENERS FOR RSL ::

Looking ahead to Saturday, the March 1 matinee at home against Seattle gives RSL an opportunity to improve upon its 9W-2L-9T record at home in its MLS openers (dropping just 2018/LAFC and 2023/ATX) ...

Also at stake is RSL's all-time 12W-1L-4T mark against Seattle on Utah soil, where the Rave Green have not won since 2011 in reg. season action (SEA did win the road leg at RSL by a 1-0 score in the 2012 Playoff series) ...

RSL opened a season in San Jose for the fourth time in its 21-year history, now posting a 3W-1L-0T record in its three previous "MLS is BACK" matchups against the 'Quakes (2010, 2011 and 2013 seasons; 6-0 RSL aggregate advantage prior to Saturday) ...

Since that 2010 opener at SJ, RSL is now 7W-3L-6T in its road openers, losing previously at CHI in 2017 and last year at MIA, after going 0-4-1 from 2005-09 ...

REINFORCEMENTS ARRIVE ::

After the CONCACAF Champions Cup Leg One in Costa Rica saw five players make their Club debuts, 72 hours later saw three more returning RSL players – MF **Diego Luna** (nose), DF **Philip Quinton** (hamstring) and DF **Javain Brown** (knee) – arrive in San Jose to start for the Claret-and-Cobalt despite not having trained with the team for multiple weeks, having to rehab injuries while RSL did the Coachella / Costa Rica double from Feb. 3-16 ...

Luna and Quinton each went the full 90 in last weekend's MLS contest, while Brown played 45 min. and was replaced at halftime ...

MIDWEEK DEBUTANTS x5 ::

Five RSL players made their Club debuts with the midweek continental fixture 10 days ago, as GK **Rafael Cabral**, DF **Kobi Henry** and FW **Forster Ajago** each started for Head Coach **Pablo Mastroeni**, while DF **Sam Junqua** and MF **Tyler Wolff** entered the match as substitutes ...

A trio of late-summer 2024 acquisitions also started that Wednesday, as Portuguese Designated Player **Diogo Gonçalves** was named by CONCACAF as the game's Michelob Ultra Player of the Match ... Diogo was joined by Polish winger **Dominik Marczuk** and Australian attacker **Lachlan Brook** to provide creativity ahead of RSL's staunch "Iron Man" pivots, **Braian Ojeda** and **Emeka Eneli** – both of whom led RSL in minutes last year. Eneli wore the Captain's armband for the second time in his RSL career Wednesday night, the youngest to ever do it ...

Fourth-year homegrown DF **Bode Hidalgo** started on the right with centerback **Brayan Vera** next to Henry and in front of Cabral, while left back **Alex Katranis** was removed from the match in the 19th minute after taking a close-range shot to the back of his head ...

Replaced by MLS veteran Junqua, other subs included the debutant Wolff, homegrown FW **Zavier Gozo** as well as the first appearance in 354 days by MF **Pablo Ruiz**, who played just three games last year after a meniscus injury in August, 2023, and an ACL setback in the opposite knee last March ...

With Wednesday's elimination, RSL's all-time record in CONCACAF Champions tourney games is now 11-6-7 (W-L-T), including a home mark of 8-2-2 (the lone previous home loss coming in the 2010/11 final to Monterrey) ...

KATRANIS TAKING ABUSE ::

Starting 35 games as RSL's left-sided wingback over the last year since his arrival, Greek DF **Alex Katranis** – who bombs forward and backward from RSL's base 4-2-3-1 without the ball to its 3-2-4-1 in possession, effectively making Diego Luna the second 10 – has suffered injuries necessitating removal in each of RSL's first two contests ...

Last week at Estadio Nacional, Katranis was replaced in the 19th minute after taking a shot from close range in the back of his head ... While symptoms were not apparent, a concussion sub was used due to the Club's conservative approach during the current period of congestion ...

Katranis recovered to start Saturday in San Jose, but was again replaced by veteran MLS DF **Sam Junqua** after his arm got caught under a falling body, his elbow/wrist in pain ...

COACHELLA VALLEY WRAP-UP ::

RSL concluded its 21st preseason two weeks ago on **Wed., Feb. 12** at the Coachella Valley Invitational with a pair of friendlies, RSL coming from behind to draw New York Red Bulls, 3-3, with its presumptive starting XI, while the depth squad defeated Orange County SC, 3-1, in the second half of that day's doubleheader ...

FW **Forster Ajago** scored twice in the CVI match against New Jersey's MLS side, opening the game with a 10th-minute breakaway – assisted by new RSL GK **Rafael Cabral** – and also scoring the 81st minute equalizer by pouncing on a loose ball in the box ...

RSL saw DP playmaker **Diogo Gonçalves** cut the 3-1 Red Bull lead in half 10 minute prior to Ajago's equalizer, the Portuguese metronome also seizing upon a deflected ball at the top of the box to find the back of the net for the first time in his first full preseason with RSL ...

INTERNATIONALLY KNOWN ::

In that final preseason tune-up, played exactly one week ahead of its CONCACAF Champions Cup opener in Costa Rica, RSL saw 10 nationalities represented in its presumed first-choice starting XI, lining up in a 4-2-3-1 formation without the ball:

Cabral (Brazil)

Hidalgo (USA) – Glad (USA) – Vera (Colombia) – Katranis (Greece)

Eneli (Nigeria/USA) – Ojeda (Paraguay)

Marczuk (Poland) – Brook (Australia) – Gonçalves (Portugal)

Ajago (Ghana)

Eight of RSL's next 14 players hold USA passports, with Argentina/Chile, Jamaica, Germany and Spain bringing the number of nationalities on RSL's senior roster to 15 countries ...

GK Mason Stajduhar (USA)
DF Javain Brown (Jamaica)
DF Philip Quinton (USA)
DF Kobi Henry (USA)
DF Sam Junqua (USA)
DF Tommy Silva (USA)
MF Pablo Ruiz (Argentina/Chile)
MF Nelson Palacio (Colombia)
MF Noel Caliskan (Germany)
MF Diego Luna (USA)
MF Tyler Wolff (USA)
M/F Jesus Barea (Spain)
FW Xavier Gozo (USA)
FW Ari Piol (Australia)

PERFECT v USL COMP ::

In the 3-1 win over Orange County, RSL saw second-half goals by homegrown DF **Tommy Silva**, recent college draft selection **Jesus Barea** and Australian newcomer **Ari Piol** ...

The now completely-healthy **Pablo Ruiz** started the goal-scoring sequences with exquisite left-footed switches to spring RSL forward, while the interplay between Piol and Barea freed each other on dangerous sequences ...

Earlier in the Coachella Valley tourney, RSL saw goals from **Noel Caliskan**, **Zavier Gozo** and **Tyler Wolff** in a 3-0 win over Las Vegas (USL Championship), while a stunning left-footed curler from Aussie **Lachlan Brook** earned RSL a 1-1 draw with St. Louis on Feb. 8 ...

SANTA BARBARA TRIP ::

In the preseason segment concluding on **January 29** in Santa Barbara, Calif., RSL earned a 1-1 draw with Minnesota United over the course of 120 minutes played ... Despite going down 0-1 in the 15th minute, RSL FW **Forster Ajago** equalized in the 90th, off an assist from right winger **Bode Hidalgo** ...

TURNOVER OVERSTATED? ::

Eight of RSL's 11 starters from its 2024 Audi MLS Cup Playoffs First Round Leg Two at Minnesota return for this year, with changes in goal (**Rafael Cabral** in place of the injured Zac MacMath) and up top (**Forster Ajago** replacing the departed Anderson Julio) ...

In RSL's 4-2-3-1 defensive shape, a game model which switches to a 3-2-4-1 with the ball, the Matt Crooks minutes will end up at the feet of **Diogo Gonçalves**; if 2024 MLS Young Player of the Year **Diego Luna** is unable to go due to his nasal reconstruction following the shattered nose from U.S. camp, Aussie attacker **Lachlan Brook** will replace him ...

Yes, nearly 70% of last year's goals are gone, with the Andrés Gómez summer sale and the offseason departures of Chicho Arango, Anderson Julio and Matt Crooks ...

However, 20,000+ minutes do return for 2025 RSL, which has gotten deeper along the back line with left-sided MLS vet **Sam Junqua** and U.S. Youth International **Kobi Henry** added to the **Justen Glad**, **Brayan Vera**, **Philip Quinton**, **Bode Hidalgo** and **Javain Brown / Tommy Silva** mix ...

RSL is also deeper in the midfield with the **Pablo Ruiz** return to health alongside **Braian Ojeda**, **Emeka Eneli**, **Nelson Palacio** and **Noel Caliskan** ...

Wingers **Dominik Marczuk** and Brook combine creatively with Luna and newcomer **Tyler Wolff**, while homegrown

USA U-18 **Zavier Gozo**, Piol and Ajago add to the attack ...

Soon, Spanish rookie **Jesus Barea** – coming off a strong preseason, now awaiting the conversion from his student visa to a full-blown P-1, which will allow him to work in the U.S. - will be available to add his attacking versatility and flair to the attacking mix as well ...

CUP COMPETITIONS ABOUND ::

With Real Salt Lake's CONCACAF Champions Cup tournament ended early in the 2025 campaign, the Claret-and-Cobalt will now look ahead to its participation in the third edition of Leagues Cup, hosting three Liga MX sides – Club América, Atletico San Luis and Queretaro – in Phase One at America First Field from July 30 – Aug. 6, with the knockout stages being played Aug. 19-31 ...

For the first time since 2015, RSL's reserve team – Real Monarchs SLC – will fly the RSL flag in the 111-year-old Lamar Hunt U.S. Open Cup, with the first round being played on Wed., March 19 against Bay Area amateur side El Farolito at Zions Bank Stadium ...

FOR CLUB AND COUNTRY ::

Real Salt Lake saw two of its 2024 standouts – attacker **Diego Luna** and the versatile **Emeka Eneli** – amongst the 23 MLS players selected by new United States Men's National Team manager Mauricio Pochettino in this year's January's USA camp, including a 3-1 win over Venezuela in Ft. Lauderdale on Jan. 18 and a 3-0 win over Costa Rica on Jan. 22 in Orlando ...

Both Luna and Eneli played the final 27 minutes of the Venezuela win, with the RSL duo starting against Costa Rica, each player notching an assist ... Luna set up the game-winning goal on his first touch after a broken nose early in the contest, while Eneli also added an assist of his own on the second goal, late in the match ...

Luna played the first 45 only, setting up a game-high SIX big chances on either side of his battered and bloodied facial incident ... Eneli went the full 90 and earned FotMob Player of the Game honors, the RSL duo the two top-rated "men of the match" ...

Despite having both nostrils filled with gauze, blood streaming down his face and looking like an extra from the famed David Fincher movie "Fight Club," Luna dominated the first half for the States, none of his creations more incisive than his 21st-minute throughball to O'Brian White, giving the home side a 1-0 lead ...

Sharing the field with Luna on this frigid night in Orlando was his Real Salt Lake teammate **Emeka Eneli**, one of eight U.S. players to have made their international debuts

earlier in the week under the guise of Pochettino's first January camp ...

Eneli – a former Cornell Men's Soccer standout, one who has proven to be the RSL "Iron Man" and "Swiss-Army Knife" during his first two professional seasons – played the full 90 on this night, delivering the assist on the first of two late U.S. insurance goals ...

Eneli set up the knockout blow doing what he seems to always do for the Claret-and-Cobalt, finding himself in the right place at the right time, winning the ball back from Costa Rica deep in their defensive end, and making a quick, simple and direct decision, creating a high xG chance for his team, finding Caden Clark for the 2-0 lead ...

On the night, Eneli – playing a deep midfield "Busquets" role, asked to do things slightly differently than in Pablo Mastroeni's double-pivot – completed 92% of his passes (69/75) and earning the valued FotMob "Player of the Match" honors with an 8.4 rating ...

That Luna / Eneli combination did not only appear on the field Wednesday night, nor just in the FotMob ratings as the top two individuals rated – but will forever be ingrained in the history books, both delivering goal contributions in a U.S. game for the first time ever by an RSL duo ...

The last time multiple RSL players earned USA caps on the same evening? April 2, 2014 in Glendale, Arizona, when GK **Nick Rimando**, DF **Tony Beltran** and MF **Kyle Beckerman** all started in a 2-2 friendly draw with the country's primary footballing rival, Mexico ...

Luna, the **2024 MLS Young Player of the Year**, arrived in the USA January camp for a second consecutive opportunity, earning his lone previous senior USMNT appearance in January, 2024, with a start and 77 minutes played against Slovenia in San Antonio ... Luna's 20 goal contributions (8g/12a) last year were the second-most for RSL, fueling a climb up the Western Conference standings with a Club-record 59-point haul in 2024 ... The 2024 MLS All-Star and rising U.S. international is the second player in MLS history to record at least 20 goal contributions in a single season before turning 21, joining now-Columbus Crew forward Diego Rossi (12g/9a in 2018) ...

On the eve of his third professional campaign with RSL, Eneli was one of eight players with the opportunity to earn his first cap this camp ... Voted by his Utah-based teammates as the Club's **2024 Most Valuable Player**, Eneli was RSL's "Iron Man" last season, starting 35 of 39 games across all competitions, playing nearly 3,000 total minutes and scoring RSL's lone postseason goal against Minnesota ...

AJAGO'S CCC BRACE IN 2024 ::

While with Nashville a year ago, an undrafted rookie out of Duke University, Ghanaian striker **Forster Ajago** scored twice in Nashville's 4-0 win over Dominican side Moca FC in last year's Champions Cup ...

The 22-year-old striker hadn't played a minute of professional soccer going into the match, but was given the start in Nashville's first-ever home match in continental competition ... Two goals and a dominant performance was quite the introduction in front of the Nashville SC faithful ...

"Initially, coach kind of told me it might be on the bench and we'll see how things go. But as to whether I was starting, it was yesterday," Ajago said after the match. "Obviously, I didn't expect it to be like this. But coming into the game, I knew confidence-wise I was there. The guys got my back and I got nothing to lose."

He certainly played like he had nothing to lose. Ajago, who wasn't even eligible to play for Nashville SC in MLS due to a lack of available international roster slots, became just the 10th player in Nashville's seven-year history to score on his debut ...

It could have been even better ... In addition to his two goals, both incredibly well taken for such a young player, Ajago hit the woodwork twice and saw a penalty kick saved ... It was nothing short of a dominant performance, albeit against inferior opposition, one that had fans clamoring for more involvement with Nashville's first team ...

Ajago only added to his rapidly-growing fan support with a memorable celebration after both goals, running to the corner flag and clawing at the air ... While certainly eye-catching on the pitch, the celebration has a deeper meaning to Ajago, one that gives a glimpse into his long journey from Navrongo, Ghana, to Nashville, Tenn. ...

"I gain the name 'bear' there from the celebration," Ajago grinned. "It's kind of like a bear. And it's like claws. For me, it kind of has a story of coming through from the beginning. It's been tough and for me everything seems to be, I have to grab it. So it's kind of like the aggressive mode of me taking out the weeds and clearing the way."

"I'm the man here, I'm the liar, I'm the bear," he added. "It's kind of like a struggle out, clearing out the weeds and the weak ones, and showing I'm the strong one."

PERENNIAL PLAYOFF PEDIGREE ::

As RSL embarks on Head Coach **Pablo Mastroeni**'s fourth full season – and his fifth overall on the Wasatch Front – the Utah side looks this year to build upon its record-setting 2024 campaign ...

Last year saw RSL advance to the MLS Cup Playoffs for a sixth time in seven seasons (2020 the lone exception), and for the 14th time in the last 17 seasons since first qualifying in 2008 (2015, 2017 the other outliers) ...

The 2024 MLS regular season reached an all-time high of 59 points for RSL, which finished third in the Western Conference and sixth overall in the MLS shield race, while also establishing a new all-time scoring high of 65 goals ...

RSL won 12 of 19 games played at home across all competitions, losing only three and returning its Sandy venue to its fortress-like home once again, while the Utah side's 2024 road record – with 14 away results from a 5W-5L-9T record – was second only to the new standard achieved in 2023 (11-7-5 / 38 points all competitions) ...

THE DAO OF PABLO ::

During each of Pablo's previous three full seasons at the RSL helm, the Club has increased its annual point total (47 in 2022, 50 in 2023 and 59 last year), while increasing its Western Conference table position as well (7th in 2022, 5th in 2023 and 3rd last year) ... The 2025 campaign features RSL's pursuit of a Conference-best fifth consecutive postseason berth, a seventh in the last eight seasons and its 15th in the last 18 years ...

As interim head coach in 2021, Pablo helped the team advance to the Western Conference Final before losing at Portland, with RSL also advancing to the U.S. Open Cup Semifinal two years later in 2023 (losing at Houston) ... RSL also fell in the Leagues Cup Round of 16 in 2023, while failing to advance out of the group a season ago with another loss at Houston, despite a thrilling comeback win at home over Liga MX side Atlas FC ...

Mastroeni earned his 50th win across all competitions with RSL in a 4-3 decision last June at Kansas City, with his 3rd reg. season win this season marking his 50th with RSL ... During his entire MLS coaching career – which includes the 2014-17 years at Colorado – former U.S. World Cup stalwart Mastroeni has amassed 97 wins, 106 losses and 74 draws across all competitions for the Rocky Mountain clubs ...

As mentioned, RSL has exhibited strong grit and resilience as hallmarks of the Pablo era ... Saturday's loss in San Jose was its first since a league loss at Houston on Sept. 14 ...

RSL dropped back-to-back games for the only time last year on August 5 & 24; all-time under Mastroeni, RSL has suffered back-to-back losses just 11 times in those 142 matches, winning 23 and drawing 13 ...

Wednesday's loss dropped RSL's record under Mastroeni when scoring first to 34 wins and 12 draws against just five losses ...

2025 DEPARTURES ::

RSL's most "striking" roster changes for its 21st season happen up top, as former No. 9s **Chicho Arango** and **Anderson Julio** – who combined for 27 of the Club's all-time team-record 65 goals last season – have moved on from Utah ... Former captain Arango – who won RSL's 2024 Golden Boot with 17 goals in 2024, all prior to his mid-July suspension – was traded to Western Conference rival San Jose Earthquakes on January 13, while Julio – who scored a career-high 9 goals last season – was traded on Dec. 20 to FC Dallas ...

In January, MF **Matt Crooks** returned to the English Championship after one season on the Wasatch, while teenage GK **Gavin Beavers** was sold to legendary side Brøndby in the Danish First Division ...

RSL has also said goodbye to long-time Homegrown DF **Andrew Brody**, waived Tuesday as one of just two players in the Club's last 10 seasons to appear in 100+ matches for both RSL and Real Monarchs ...

ELIAS, WE HARDLY KNEW YA ::

Former New York Red Bull striker **Elias Manoel** was acquired on Dec. 20 to compete for a role in leading RSL's revamped 2025 attack, the Brazilian demonstrating danger and guile during his MLS career ...

However, RSL sold Manoel to Copa Libertadores champion and Brazilian power Botafogo – former home of one-time RSL attacker Jefferson Savarino – on the eve of the Club's home opener for the 2025 MLS season ...

Manoel – with his U.S. work visa sponsored by RSL and his green card process maintained by the Utah club – never reported to preseason, seeking new contract and more money after initially welcoming the trade from NYRB ...

NEW ARRIVALS ::

MF **Tyler Wolff** (Atlanta), DF **Sam Junqua** (Dallas) and FW **Forster Ajago** (Nashville) were also obtained in December via MLS trade/waiver mechanisms, while RSL also added eight players with collegiate experience in the 2025 MLS SuperDraft just prior to Christmas ...

In the January window, RSL also executed a loan agreement for young American DF **Kobi Henry** from French side Reims, with multiple other incoming transfers – including Brazilian GK **Rafael Cabral** and Australian FW **Ariath Piol** – were signed pending work visas prior to the team's late January departure for stage two of its 2025 training camp in Santa Barbara, Calif. ...

RETURNING TO THE MIX ::

Veteran RSL midfielder **Pablo Ruiz** is back to 100% health to kick off the 2025 season after suffering a pair of severe injuries in both August 2023 and April 2024, limiting the burgeoning Chilean international to just three MLS games played since an Aug. 6 Leagues Cup match at LAFC ...

After rehabbing the non-contact meniscus injury suffered in the 9th minute of that road match, Ruiz returned to play the first three matches of 2024 – at Miami and St. Louis, and at home in the “snowmageddon” match against LAFC – before suffering a season-ending ACL tear in a training collision in Herriman just a few days later ...

The versatile Ruiz – a deep-lying playmaker, often serving as RSL's metronome in 2022 / 23 – enters 2025 looking to play himself into “Comeback Player of the Year” consideration ...

Other RSL players looking to rebound from injury this year included 2024 MLS SuperDraft pick **Kevin Bonilla** – who suffered multiple injuries in his right knee last preseason, unfortunately suffering an Achilles injury in his 2025 preseason – and **Zack Farnsworth**, the former RSL Academy man who has spent the last four years coming back from ankle injuries suffered in the 2021 preseason, logging significant Monarchs minutes last year ...

DRAFT DAY DEALINGS ::

As a by-product of the **Elias Manoel** deal, RSL also acquired all of the New York Red Bulls' 2025 SuperDraft picks, while also moving up in the first round with General Allocation Money (GAM) trades for picks from both the Columbus Crew and LA Galaxy ... RSL ended up taking eight players out of the college acquisition mechanism, with 7 of the 8 picks reporting to this year's combined RSL / Monarchs first stage of preseason, with just FW Sergi Solans (Oregon State) returning to college for another year ...

Overall on Dec. 20, RSL selected eight players via the 2025 MLS SuperDraft, including a quartet of first-round picks – FW **Jesus Barea** (19th overall out of Missouri State), GK **Max Kerkvliet** (21st / UConn), FW **Lineker Rodrigues dos Santos** (29th / Marshall) and FW **Sergi Solans** (30th / Oregon State) ... RSL's four first-rounders marked the second-most of the initial round (Colorado, five) en route to the second-most picks throughout the entire draft (also Colorado, nine overall) ...

RSL entered draft day with only the 19th, 49th and 79th overall picks in the event's three rounds, but added three more just hours prior to the 2025 MLS SuperDraft as part of its acquisition of veteran Brazilian FW **Elias Manoel**, with RSL send \$700,000 in future GAM to New York, taking each of the Red Bulls' natural selections (29th, 59th and 89th overall), as well as New York's natural second rounder in next year's draft ...

During the first round, RSL also acquired two more picks, sending \$75,000 in 2024 GAM to the Columbus Crew for the 21st overall pick (Kerkvliet) and \$50,000 to LA Galaxy for the 30th overall pick (Solans), the final selection of the first round ...

Later that day, RSL recouped \$400,000 in GAM from FC Dallas in exchange for FW Anderson Julio, while also acquiring versatile veteran MLS DF **Sam Junqua** in a depth move ...

FIRST FULL PRESEASONS ::

Much of RSL's 2025 roster work was accomplished last August, when new arrivals in the form of DP playmaker **Diogo Gonçalves**, U22 winger **Dominik Marczuk**, MF **Lachlan Brook** and DF **Javain Brown** donned the Claret-and-Cobalt ...

With a full preseason in advance of the mid-February CONCACAF foray, each player's flashes of brilliance from last Fall hopefully blossom into impactful stretches and consistent depth as RSL juggles eight games in 27 days to kick off 2025, and the potential of 19 games across multiple competitions in the first 74 days from mid-Feb. to early May with a successful Champions Cup run ...

HOMEGROWN FACTORY ::

RSL's homegrown poster boy, 27-year-old centerback **Justen Glad**, returns for his 11th season with the Claret-and-Cobalt, leading the charge amongst the 15 homegrowns on RSL's 2025 roster ... Glad – who needs just 6 more MLS games played to move past **Tony Beltran** and **Chris Wingert** into third-place overall amongst MLS performers – is joined by DF **Bode Hidalgo** and DF **Tommy Silva** as RSL Academy products in the 2025 mix ...

FW **Zavier Gozo** – who made his MLS debut late in the 2023 season, and played just 11 minutes last year – is joined by several others, including FW **Axel Kei**, MF **Owen Anderson**, DF **Luis Rivera**, MF **Jude Wellings**, MF **Gio Villa**, MF **Aiden Hezarkhani** and DF **Omar Marquez** as players on MLS contracts looking to make an impact this season ...

All told, RSL has signed 45 players to HG contracts in the last 15 seasons, outpacing FC Dallas for the league-high contribution ...

YOUTH WILL BE SERVED ::

The Real Monarchs / MLS NEXT Pro pathway has also served RSL well, with MF **Noel Caliskan** and MF **Matthew Bell** utilizing minutes at the USSF-sanctioned Division III level to prepare for first-team contributions ...

Other Monarchs standouts with opportunities to earn MLS consideration could include MF **Griffin Dillon**, DF **Loic Adjala** and FW **Ousman Touray** ...

BETWEEN THE PIPES ::

RSL will see a distinct change at the goalkeeper position for 2025, with veteran incumbent **Zac MacMath** now on the shelf with preseason surgery, replaced by Brazilian international **Rafael Cabral**, who arrives in MLS with nearly a decade of European experience in Italy and England prior to spending the last 18 months with Cruzeiro / Gremio in his home country ...

A few days into camp, with the MacMath injury news and the impending Beavers sale to Danish side Brøndby, RSL traded for Orlando City backup GK **Mason Stajduhar**, now entering his 10th MLS season ...

Gone is RSL Academy product and former RSL / Monarchs ingenue **Gavin Beavers**, who moved to Danish side Brøndby upon the completion of the January USA U-20 camp, as that side prepares for this year's Youth World Cup ...

First-round draftee **Max Kerkvliet** signed an MLS contract and will train daily as the third keeper and should expect to split Monarchs minutes with RSL Academy starlet **Will Mackay**, while draftee **Trace Alphin** and others will continue along their Monarchs / Academy developmental pathways ...

ALONG THE SPINE ::

Running it back in the engine room ahead of **Justen Glad** and **Brayan Vera** are veteran RSL pivots **Braian Ojeda** and **Emeka Eneli**, the 2024 team leaders in minutes played, appearances and starts ... 2023 standout **Pablo Ruiz** returns from injury to soak up the Matt Crooks minutes along with relative newcomer **Diogo Gonçalves**, while **Diego Luna**, **Tyler Wolff** and perhaps homegrown **Owen Anderson** will also occupy space underneath **Forster Ajago** and **Ariath Piol** up top ...

The versatile **Philip Quinton** – a right-sided centerback and now RSL's tallest player who excelled in late-season deployment at right back – is mirrored on the left side by newcomer **Sam Junqua**, an MLS veteran who is comfortable as a left centerback but can also play outside on the left if needed in a back four (albeit not in the way the overlapping Katranis might) ...

U.S. Youth International DF **Kobi Henry** has also impressed in both back-3 and back-4 setups, playing mostly as a centerback or on the right ...

ON THE OUTSIDE WINGS ::

Running roughshod on either wing are **Alex Katranis** – the Greek left back who impressed last year with late game-winners in Vancouver and Philadelphia, amongst others – and the impressive **Dominik Marczuk**, the Polish international who displayed playmaking prowess, finishing precision and defensive work rate from his wide right attacking position ...

Late-summer acquisition **Lachlan Brook** looks to secure more minutes in 2025, playing on either wing, with the left-footed playmaker liking to cut inside and play centrally from either wing ...

WINNING TOGETHER THROUGH DEVELOPMENT ::

2025 preseason offered a glimpse into which young players have a chance to emerge this season, as first-round 2025 draft picks **Jesus Barea** and **Lineker Rodrigues** have the chance to prove their worth high up in the attack ...

Barea will likely sign an MLS deal in the coming weeks, while Lineker impressed in Santa Barbara and Coachella and now returns to the Monarchs for the remainder of their preseason ...

On the defensive side, rookies **Nick Dang** and **Aleksander Vukovic** are likely playing for Monarchs deals, as are 2024 draft picks **Max Jennings** and **Ruben Mesalles**, who arrive for their first preseasons with RSL after spending last year in the collegiate environment ...
