GAME NOTES

HOUSTON DYNAMO FC HOST SEATTLE SOUNDERS FC ON SEASON 20 CELEBRATION NIGHT

Houston Dynamo FC return to league play and kick off a two-match homestand on Saturday, May 10, when they host Seattle Sounders FC at Shell Energy Stadium. Kickoff is scheduled for 7:30 p.m. CT, and fans can secure their tickets via SeatGeek.

The Club will also host its marquee theme night of the year – the Season 20 Celebration on Alumni Weekend. Dynamo fans can look forward to meeting and reconnecting with Dynamo legends during pre-game autograph sessions on the concourse, as well as receiving a Pat Onstad bobblehead gate giveaway, presented by Heriberto Ramos & Associates, while supplies last. At 10:00 a.m. on Saturday morning, fans are invited to join Dynamo alumni legends at Discovery Green to play small-sided pickup games. Additional information regarding the celebration is available on HoustonDynamoFC.com.

Additionally, seven Dynamo Academy players will be acknowledged during a halftime ceremony for receiving their high school diplomas.

One lineup note for this weekend is that defender Franco Escobar will miss Houston's next two MLS matches for yellow card accumulation and receiving a red card in the previous match versus LAFC.

Houston is coming off a midweek U.S. Open Cup victory after defeating USL Championship side Phoenix Rising FC 4-1 in extra time on the road in the Round of 32 on Wednesday night. Houston and Phoenix each scored once in regulation, before the Dynamo secured the victory in extra time with goals from midfielder Jack McGlynn, forward Ezequiel Ponce and midfielder Sebastian Kowalczyk. In the first half, defender Felipe Andrade scored his first goal for the Dynamo. Notably, defender Pablo Ortiz, who Houston signed on loan from FC DAC 1904 in late March, made his Dynamo debut as a starter.

The Dynamo will now travel to face in-state rivals Austin FC in the Round of 16 on Wednesday, May 21, with kickoff scheduled for 8:00 p.m. CT. Fans can watch the match live via Paramount+.

In regular season action, the Dynamo are coming off a 2-0 road loss to LAFC on Saturday. Notably, Dynamo captain and midfielder Artur made his 200th career MLS regular season start. Additionally, goalkeeper Jonathan Bond tied the Dynamo record for saves in any half with six saves in the first half, while ending the match with eight total saves.

Earlier this week, the Dynamo extended a first team loan from Fluminense FC in Brazil for Andrade. The loan runs through the 2025 season with an option to buy. The Brazilian joined Houston Dynamo 2 on loan in February, starting all six of his MLS NEXT Pro appearances this season. He contributed to two clean sheets and recorded one assist. Notably, Andrade made his first team debut with the Dynamo in a 2-1 friendly victory versus the El Salvador National Team in March.

The Sounders currently sit seventh in the Western Conference with 16 points through 11 matches on a 4-3-4 (WLD) record and are coming off a 4-1 home victory versus St. Louis CITY SC. Nouhou Tolo, Danny Musovski, Albert Rusnak and Obed Vargas each found the back of the net for Seattle.

In the most recent matchup between the two sides, Houston earned an important road point in a scoreless draw at Seattle on March 23 and the team's second clean sheet of the season. Goalkeeper Jimmy Maurer and midfielder Júnior Urso both made their first Dynamo league starts that match, while goalkeeper Blake Gillingham made his Dynamo and MLS debut in replacement of an injured Maurer in the 67th minute. It marked the first time an MLS rookie has played in goal for the Dynamo since Nov. 3, 2021 (Kyle Morton). Defender Erik Sviatchenko also made his 50th MLS regular season appearance during the match.

The Dynamo have a Sounders legend on their roster in midfielder Nico Lodeiro, who played a pivotal role in Seattle's success over the past decade, winning three trophies, including the MLS Cup in 2016 and 2019, as well as the Concacaf Champions League in 2022. Houston signed the Uruguayan international in February, and he has since appeared in 13 matches (five starts) in all competitions, scoring his first goal for the Dynamo versus Inter Miami CF on March 2.

Houston continues their two-match homestand versus Minnesota United FC on Wednesday, May 14, at Shell Energy Stadium, with kickoff scheduled for 7:30 p.m. CT. Tickets for all Dynamo matches are available via SeatGeek.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 21,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city’s downtown district.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true ‘Stadium District,’ which includes Minute Maid Park and the Toyota Center, as well as the George R. Brown Convention Center, Discovery Green, Warehouse Live and House of Blues.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA’s ongoing brand unification happening across the globe. BBVA Group’s new logo and brand signals an advancement in the financial institution’s efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club’s scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.
