MLS PLAYER OF THE MATCHDAY

- St. Louis CITY SC goalkeeper **Roman Bürki** was voted the Major League Soccer Player of the Matchday presented by Michelob Ultra for Matchday 3 of the 2025 MLS season.
- Bürki was tremendous in net on CITY SC's first Sunday Night Soccer match presented by Continental Tire, making eight saves and shutting out the defending MLS Cup presented by Audi champions LA Galaxy, 3-0, at Dignity Health Sports Park.
- His eight saves were tied for the second-most in a single MLS game this season and tied for the third-most in his career. Overall, the 2023 Goalkeeper of the Year held the Galaxy scoreless despite the home side accumulating 1.88 xG (expected goals).
- Bürki is the third goalkeeper since the start of 2022 to be named MLS Player of the Matchday presented by Michelob Ultra, joining Aljaž Ivačić (Matchday 19, 2024) and Dayne St. Clair (Matchday 3, 2022).
- The Swiss international is the second player in club history to earn the honor, alongside forward **João Klauss** (Matchday 35 of 2023).
- The MLS Player of the Matchday presented by Michelob Ultra is selected each matchday of the regular season through both media and fan voting in a process conducted by MLS Communications. A panel of journalists from the North American Soccer Reporters (NASR) comprises 75 percent of the vote, while an Instagram fan vote represents the remaining 25 percent of voting. NASR consists of members of print, television, radio, and online media.

DEFENSIVELY SOUND

- St. Louis recorded its third consecutive clean sheet to start the 2025 season following a 3-0 win over LA Galaxy on March 9.
- This marked the first time in St. Louis' young history that the team has gone three games without conceding.
- CITY SC is the only remaining team in the MLS to have not conceded a goal.
- With the shutout, St. Louis became the fifth team in the past decade and the 11th in MLS history to not concede a goal in the first three games of a season.
- After recording a shutout in their first two matches, St. Louis became the first team to have **not conceded a goal** and **only one shot on goal** over their first two games of any season in MLS.
- Roman Bürki** has recorded three consecutive shutouts to the start the season for the first time since joining St. Louis.
- This is also the first time in his professional career he has had a shutout streak of at least three games.
- For context, it took Bürki and CITY SC eight regular season matches last season to earn three clean sheets.

BÜRKI: THE SWISS WALL

- In his first season in MLS, **Roman Bürki** was announced as the winner of Allstate MLS Goalkeeper of the Year topping FC Cincinnati's Roman Celentano and Orlando City's Pedro Gallese.
- Bürki was also selected to the league's Best XI squad in 2023.
- The Swiss goalie owned the league's top mark with plus-9.1 Post-Shot

Expected Goals minus Goals Allowed and finished second in MLS in saves with 123.

- His 17 wins in 2023, were the most by any goalkeeper during their first MLS season (post-shootout era) and the 42 goals he conceded in MLS play are the fewest of any goalkeeper to play at least 30 games for an expansion club in a 34-game season.
- Per OPTA, Bürki led MLS in 2023 in goals prevented (11.9), which is the difference between the number of expected goals conceded (based on the quality of shots faced) and actual goals conceded.
- Bürki was selected as an All-Star in both seasons since joining St. Louis.
- Bürki has made a strong start to the 2025 campaign and has recorded three consecutive shutouts to the start the season for the first time since joining St. Louis.
- For context, it took Bürki and CITY SC eight regular season matches last season to earn three clean sheets.
- This is the first time in his professional career he has had a shutout streak of at least three games.
- CITY SC's captain has conceded one goal or fewer in seven of his past eight MLS appearances.

OLOF'S AT THE WHEEL

- Aston Villa legend and previous Swedish National Team captain Olof Mellberg was named St. Louis CITY SC's second-ever head coach in the offseason.
- In addition to being a highly respected leader – on both the pitch and the touchline -- Mellberg brings five-plus years of Scandinavian head coach experience, primarily from Sweden.
- Mellberg began his managerial career in 2016 at IF Brommapojkarna, a club in the outskirts of Stockholm.
- Mellberg took charge of the team in Ettan, Sweden's Third Division, and successfully led Brommapojkarna to back-to-back promotions in 2016 and 2017, winning the title in each division each year, to bring the club back to Allsvenskan, Sweden's Top Division.
- Over the course of those two seasons, Mellberg's side averaged 2.2 points per match with a 44-9-14 (W-L-D) record, 140 goals scored and 58 goals against.
- Mellberg then took some time to complete his Coaching License, which included acting as Head Coach of Danish Superligaen (1st division) club BK Fremad Amager for eight matches.
- He returned to Sweden to coach Helsingborgs IF for a season-and-a-half and rejoined Brommapojkarna in January 2023. The team has competed in Sweden's Top Division during both of those years, with a 10th place, the club's highest table position since it began competing at the top division.
- Mellberg, who played as a center back as a player, had a successful career at the club and national team level. Featuring at notable clubs

Aston Villa, Juventus, Olympiacos and Villarreal, he was most prominently known for his playing career at Villa. Mellberg recorded 232 matches with eight goals at Aston Villa.

- ▷ For his national team, Mellberg had a 12-year run with Sweden that eclipsed over 100 caps and eight goals as a defender. He featured in four UEFA European Championships (2000, '04, '08 & '12) and two FIFA World Cups (2002 & '06).
- ▷ Mellberg is the **third Swedish-born manager** to coach in the MLS, joining Hans Backe (New York Red Bulls) and Mikael Stahre (San Jose).
- ▷ Mellberg earned his first win of the 2025 season, defeating the defending MLS Cup Champions LA Galaxy 3-0 on March 9.
- ▷ The shutout win was the third consecutive match the team kept a clean sheet, a feat that has never been accomplished before in team history.
- ▷ Additionally, it took St. Louis 15 away matches to record their first road win in 2024, while Mellberg's team did so in two away matches.

GERMAN INFUSION

- ▷ St. Louis CITY SC Sporting Director Lutz Pfannenstiel has tapped into a familiar market when it comes to returning players.
- ▷ Of the current CITY SC roster, 12 players have either been born in Germany or has played in the Bundesliga or 2. Bundesliga.
- ▷ German players **Marcel Hartel, Cedric Teuchert, Eduard Löwen, Timo Baumgartl and Jannes Horn** all represented Germany's youth team at various levels with all of them playing on Germany's U-21 team in 20
- ▷ Also born in Germany, new signing **Alfredo Morales** has also spent most of his career in Germany even though he represented the USMNT internationally.
- ▷ Other players like **Roman Bürki, Joakim Nilsson, Klauss** and **Tomáš Ostrák** though not born in Germany, spent most of their careers in the Bundesliga.
- ▷ Hartel was teammates at the club level with CITY SC defender Nilsson for two seasons at Arminia Bielefeld.

RUN IT BACK

- ▷ St. Louis CITY SC played their best soccer later in the season, making the second round of Leagues Cup tournament and scoring goals in the process.
- ▷ CITY SC's late-season improvements Simon Becher, Marcel Hartel, and Cedric Teuchert all hit the ground running after joining in the summer, transforming the attack.
- ▷ In their last 14 matches of the season, St. Louis posted a 6-4-4 record, averaging close to two goals a game (27 goals total). Hartel, Teuchert and Becher accounted for 18 of those goals.
- ▷ Last season, **Marcel Hartel** recorded 10 goal contributions (3 goals, 7 assists) in nine games, equaling the fewest games played by a player who led a team in goal contributions for a season (C. Mathis for the MetroStars in 2001, D. Koevermans for Toronto FC in 2011).
- ▷ Teuchert recorded nine goal contributions (5 goals, 4 assists) despite playing in just 10 regular season matches.

- ▷ Last season Hartel, Becher and Teuchert recorded **29 goal contributions** between them after joining the team in the summer window.
- ▷ The trio each recorded a goal in the match against LA Galaxy on March 9 to give CITY SC their first win of the 2025 season.
- ▷ This was the second match since last season where all three players scored a goal (the other was against Portland Timbers on Aug. 9, 2024).

NEW HOME: ENERGIZER PARK

- ▷ CITYPARK was a tough place for away teams to play at since St. Louis' inaugural season. St. Louis CITY SC has a **18-9-7 record** at CITYPARK, has scored multiple goals in each of their 18 wins and tallied at least three goals in 12 of those matches. St. Louis has scored 64 goals in 34 home matches.
- ▷ Last fall, St. Louis CITY SC announced they were partnering with global battery powerhouse Energizer to re-name CITY SC's iconic stadium to **Energizer Park**.
- ▷ Energizer, which has called St. Louis home for decades, and CITY SC are united by a shared vision to connect with soccer's passionate and growing fan base while helping power St. Louis' continued revitalization.
- ▷ The Major League Soccer team's stadium anchors the largest urban professional sports campus in the United States and has been recognized for bringing energy, sold-out crowds and new investment to downtown St. Louis with what has quickly become one of the best stadium and fan experiences in North America.
- ▷ Previously known as CITYPARK, the 22,500-seat stadium also has become a frequent destination for international tournaments and friendlies, including hosting a number of U.S. Men's and Women's National Team events. UNESCO recently named the stadium to the prestigious Prix Versailles "World's Most Beautiful Sports Venues List 2024."

CITY SC No. 10

- ▷ St. Louis CITY SC's number 10 **Eduard Löwen**, has played pivotal role in the team's success since signing as a Designated Player ahead of the inaugural season in 2023.
- ▷ In his first MLS season, Löwen took the league by storm, **making 29 appearances (25 starts), scoring six goals and leading the team in assists with 14**, which was tied for third in the league.
- ▷ Given his impressive play in CITY SC's historic, record-breaking inaugural season, Löwen was a finalist for the MLS Newcomer of the Year award.
- ▷ At Energizer Park, **Löwen has recorded 21 goal contributions (eight goals and 13 assists) in 28 regular season matches.**
- ▷ Since the 2023 season, St. Louis is **18-3-3 when Löwen scores or assists** in regular season matches.

HARTEL: A PROVEN WINNER

- ▷ St. Louis CITY signed Marcel Hartel to a Designated Player contract last summer following a successful career in Germany.
- ▷ Prior to joining CITY SC, Hartel recorded 17

- ▷ Hartel scored his first goal of the season in a 3-0 win against last season's defending champions LA Galaxy.

VERSATILE FORWARD

- ▷ CITY SC forward Simon Becher has hit the ground running since joining the club in summer 2024.
- ▷ Becher is a former Saint Louis University player and MLS SuperDraft First Round pick.

OVERVIEW

The STL CITY SC ownership group is committed to investing in the growth of the city they love and believe Energizer Park, St. Louis' state-of-the-art soccer stadium, plays an important role in continuing to build the positive momentum happening throughout the St. Louis region. As the team looks to fuel St. Louis' continued growth and renaissance, Energizer Park reflects many of St. Louis' most amazing attributes, including its diverse neighborhoods, growing culinary scene, innovative technology, inviting community and spirit of a new St. Louis.

Energizer Park and its surrounding stadium district is the largest urban professional sports campus in the U.S. and the only one with a stadium, team headquarters, and practice facility all within the same footprint. The 31 acre urban campus in Downtown West will help unite the region around its love of sports and serve as the heartbeat of St. Louis by creating a 24/7/365 fan and community experience that encourages visitors and development to Downtown St. Louis.

MLS Commissioner Don Garber said that this comprehensive stadium plan will "serve as a model for future professional sports teams in the U.S."

Anchored by a compact stadium that fits comfortably into its urban neighborhood, the district include spaces for hosting year-round community events, concerts, festivals and other outdoor activities. As a part of the stadium district design vision, every side of the stadium – North, East, South, West – will be open and inclusive and have no back door, with all back of house services occurring via a tunnel below Market Street and fans welcome from every side.

The 22,500-seat Energizer Park is open and transparent, with views into the field from the neighborhood and views out to the city from the seating bowl. The main concourse is level with the west end of Lou Fusz Plaza, reinforcing the pedestrian scale. Its sleek form features a portico along with tall, slender columns that frame the upper seating bowl. A flat canopy fabricated from material that reflects light like the Gateway Arch, provides protection for fans while letting in daylight and amplifies fan noise.

The stadium provides a range of fan experiences, including general seating areas, heart-pounding supporter section and across diverse premium offerings and clubs, include the VIP Pitch Club, Together Credit Union Club, ULTRA Club, and the CITY-owned brew pub.

The 100% local STLMade food experience at Energizer Park, designed by James Beard award-winning Chef Gerard Craft, brings to life the next generation of in-stadium convenience, with state-of-the-art "connected stadium" technologies and modern design features including: dedicated mobile-order ahead via the CITY mobile app, frictionless CITY Go walkout markets, self-service kiosks and mobile wallet/pay technologies to decrease transaction times and increase overall fan convenience.

Energizer Park's state-of-the-art Wi-Fi and communications technology are layered on top of the physical stadium, creating an exceptional fan experience. CITY SC worked with fans and members of the local community to develop everything from partner restaurants to the "music of St. Louis" setting the mood for a truly St. Louis experience.

The first majority female-owned club in MLS history is anchored in the STLMade movement, with a vision to be more than a soccer team and working to be something transformational for the St. Louis region. Energizer Park is our home.
