

Concacaf  
**CHAMPIONS  
CUP**

*PRE-MATCH REPORT*

**Sounders - Tigres UANL**

## 1. Opta Facts

Fernando Gorriarán (Tigres UANL) has been directly involved in goals in each of his last three Concacaf Champions Cup matches, totaling one goal and two assists. In his previous 21 appearances in the competition, he had recorded just one assist.

In seven of the last eight times the Sounders have closed a Concacaf Champions Cup tie at home, they have advanced to the next round. However, this will be their first attempt to overturn a two-goal deficit in the tournament since the format change in 2008.

Tigres UANL is on a six-match winless streak in second-leg matches of Concacaf Champions Cup ties. However, in the only instance during that run against a U.S. opponent, they still advanced (vs. Orlando City in 2023).

Jesús Angulo (Tigres UANL) is the center-back with the most sequences initiated that ended in a shot in the 2026 Concacaf Champions Cup, with seven. However, none of those sequences resulted in a goal for Tigres.

Paul Arriola (Sounders) has hit the target with 80% of his shots in the 2026 Concacaf Champions Cup (4/5). This is the third-highest rate among players with 5+ total shots, behind Til Tillman (LAFC, 86%, 6/7) and Luka Romero (Cruz Azul, 100%, 5/5).
