

Concacaf
**CHAMPIONS
CUP**

PRE-MATCH REPORT

Sounders - Whitecaps

1. **Opta Facts**

- *The Whitecaps are the second-highest team in average meters advanced toward the opponent's goal per possession in the current Concacaf Champions Cup, with an average of 27.3 meters. They are surpassed only by LA Galaxy, with 29.3m.*
- *The Sounders have gone 12 games without a loss at home in the Concacaf Champions Cup, their longest unbeaten streak in the tournament (W9 D3). During that span, they faced an MLS opponent twice: a 3-1 win against New York City FC in 2022 and a 3-0 victory over their current opponent, the Whitecaps, in 2015.*
- *The Whitecaps have not lost in four of their last five away matches in the Concacaf Champions Cup. However, three of those matches were draws, though they won the only one of that streak against a U.S. opponent (3-1 against Inter Miami CF last year).*
- *Rayan Elloumi (Whitecaps) averages 19 meters covered per carry, the highest average in that category in the current Concacaf Champions Cup among players with more than one match played.*
- *The Whitecaps won 73% of the aerial duels they contested in their defensive third, the second-highest success rate in the current Concacaf Champions Cup, surpassed only by Inter Miami CF (86%).*
