## THE BURGUNDY BULLETIN

### MATT WELLS AT THE HELM

This past December, the **Rapids** brought on **Matt Wells** as the newest Head Coach in the club's history. Wells joined the Rapids after spending the past two-plus seasons on the first-team coaching staff at Tottenham Hotspur F.C. under Head Coaches such as Ange Postecoglou and current U.S. Men's National Team manager Mauricio Pochettino.

Under Postecoglou, Wells was Assistant Manager for the campaign that saw Tottenham lift the 2024-25 Europa League trophy, marking the club's first European title since 1984. The Rapids technical staff also saw multiple additions alongside Wells, with Rob Burch and Alastair Harris joining the club as Assistant Coaches. Returning coaches for Colorado include Chris Sharpe as Assistant Coach and Director of Goalkeeping, Elliot Prost as Assistant Coach, and Matt Gordon and Padraic Farrell as Video Analysts.

### NEW YEAR, NEW FACES

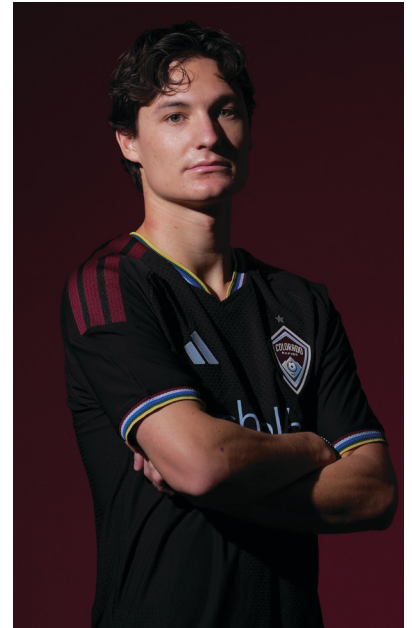

In addition to the new faces on the technical staff, the **Rapids** roster for this season also includes some significant changes throughout each position group. To start the offseason, Colorado completed a trade with CF Montréal to acquire forward **Dante Sealy** fresh off a career season with highs in goals (9), assists, (2), games played (30), games started (28), and total minutes (2,426).

In the middle of January, the **Rapids** completed a transfer for defensive midfielder **Hamzat Ojdiran** from RC Lens of Ligue 1. Also joining the group this season is Australian center back **Lucas Herrington**, who signed with the club last summer prior to finishing the season with Brisbane Roar of the A-League.

Most recently, **Colorado** brought in defender **Miguel Navarro** on loan on February 17 from Talleres.

Additional first-team signings include forward **Bryce Jamison**, MLS SuperDraft pick **Donavan Phillip**, and former Rapids 2 midfielder **Sydney Wathuta**.

### COLORFUL COLORADO

Last week, the **Rapids** unveiled the **Colorful Colorado Kit**, which will serve as the club's primary kit for the 2026 MLS season.

Heading into a massive year for soccer in North America, Colorado is taking this opportunity to honor the club's legacy and celebrate with an unexpected new look. The kit launch is also accompanied by a community initiative in partnership with UHealth to donate 10,000 soccer balls to youth across Colorado over the next two years.

## COLORFUL COLORADO KIT

On Feb. 11, 2026, the **Colorado Rapids** unveiled the **Colorful Colorado Kit** to serve as the club's primary kit for the 2026 MLS season. Heading into a massive year for soccer in North America, the Rapids are taking this opportunity to honor the club's legacy and celebrate with an unexpected new look. The kit launch is also accompanied by a community initiative in partnership with UHealth to donate 10,000 soccer balls to youth across Colorado over the next two years.

A design two years in the making, the Colorful Colorado Kit embodies all the colors of the Rapids, from 1996 to 2026, weaving every era into a bold design that represents 30 years of rich history as an MLS Original. A black base is accented with burgundy stripes on the shoulders and shorts while the numbers and sponsor marks remain in the classic sky blue. Combined, this provides a fresh take on our traditional 'burgundy & blue' look by reimaging the club's past colors and incorporating green, gold and royal blue into a sleek modern silhouette.

## HEADWATERS KIT

This year on Feb. 14, 2025, the **Colorado Rapids** unveiled the **Headwaters kit**, the club's community kit for the 2025 and 2026 Major League Soccer seasons, supporting efforts to restore and protect Colorado's rivers.

The Headwaters Kit draws inspiration from the rivers that originate high in the Rocky Mountains, providing water to millions across the American West. The design reflects the flowing waterways that shape Colorado's topography, symbolizing the connection between the state's natural resources and its people.

As part of the Headwaters Kit launch, the Rapids have partnered with Colorado Water Trust, a nonprofit organization dedicated to restoring and protecting Colorado's rivers. The Rapids will donate \$15,000 to the nonprofit, helping to benefit the 27 projects they operate around the state.

The Rapids' contribution will help fund initiatives such as increasing water flow to river segments, supporting aquatic ecosystems, and ensuring sustainable access for Colorado communities.

## DICK'S SPORTING GOODS PARK

DICK'S Sporting Goods Park has hosted some iconic games since it opened on April 7, 2007. Herculez Gomez scored the first MLS goal in the stadium as the **Rapids** defeated D.C. United, 2-1. DSGP hosted the MLS All-Star Game in 2007, against Celtic FC of Scotland, and again in 2015 against English giants Tottenham Hotspur FC. The U.S. Men's and Women's National Teams have enjoyed great success in Commerce City, with both the men and women boasting undefeated records. On March 22, 2013, the USMNT hosted Costa Rica in a 2014 FIFA World Cup Qualifier, known today as "Snow Clasico," a 1-0 U.S. victory played in a blizzard. The Rapids have played in two Snow Clasicos; first in a 2-1 win over New York Red Bulls in 2016. Then in March 2019, Colorado hosted Portland Timbers in the coldest match in MLS history, regular season or playoffs, with a kickoff temperature of just 18° F. The Rapids scored in 32 consecutive MLS matches at DICK'S Sporting Goods Park between October 2018 and August 2021, the longest streak in club history and the fifth-longest in league history.

**Matt Wells** was appointed as the 11th permanent head coach in Rapids history on December 23, 2025.

**Wells**, 37, joined the Rapids after spending the past two-plus seasons on the first-team coaching staff at Tottenham Hotspur of the English Premier League. Over his time with the club, Wells worked under highly regarded Head Coaches such as current U.S. Men's National Team manager Mauricio Pochettino, Ange Postecoglou, and most recently, Thomas Frank. Under Postecoglou, Wells was Assistant Manager for the campaign that saw Tottenham lift the 2024-25 Europa League trophy, marking the club's first European title since 1984. Following a coaching change, Wells was retained as an Assistant Coach for this current Premier League season under Frank, where the club competed in the UEFA Champions League.

From 2015 to 2019, Wells worked across multiple age groups within Tottenham's academy system, coaching teams from the U18 through U23 levels. As the U23 coach during Pochettino's tenure at the club, Wells worked diligently with the goal of creating an ideal player pathway to ensure a seamless transition from the youth level to the first team.

Prior to returning to Tottenham, Wells served as Assistant Manager under Scott Parker, beginning with Fulham in 2019. Wells continued in the same role when Parker was appointed manager at AFC Bournemouth, serving on staff from 2020 to 2022. In December 2022, he followed Parker to Club Brugge, spending part of the 2022-23 campaign on the Belgian side's coaching staff. To add to his Europa League trophy win as Assistant Manager with Tottenham, Wells also achieved a double promotion to the Premier League with Fulham in 2020 and Bournemouth in 2022, gaining extensive experience in match preparation, opposition analysis, and youth-to-first-team progression.

## WELLS ON BEING NAMED RAPIDS HEAD COACH

"I want to thank the ownership at KSE for putting their faith in me to take the club forward," said Head Coach **Matt Wells**. "I'm a very ambitious individual who has been surrounded by elite players and managers for the past seven years, and I'm excited to bring my experience and winning mentality to this organization. From the very outset of our discussions, it was clear the club shared my ambitions to create something special and compete for the highest honors. Of course, it's a difficult decision to leave a team playing Champions League football, but everything about the people and project at Colorado made the choice clear for me. I can't wait to get to work with this exciting young squad and transmit my footballing idea so that we can deliver a winning brand of football our fans can be proud of."
